NAPANEE INDUSTRIES LTD.

No steel, layoff hits local plant

This Friday, approximately one-third of the work force of Napanee Industries Ltd., will be laid off because of the inability of the company to obtain necessary steel to meet its orders.

In making the announcement to workers at the plant last Friday, president Owen Pegg pointed out that during the last six months, the companies which supply steel to Napanee Industries Ltd., (the Steel Company of Canada Ltd., and Algoma Steel Corp. Ltd.,) have only provided 29 percent of the steel supplied to the local firm in 1972. "The output of the Canadian steel producers in 1973 was 13.6 percent higher than the 1972 output," Mr. Pegg noted in his announcement to employees.

The present work force at the plant is about 90, Mr. Pegg said and notices of a layoff have been given to 25 hourly paid employees and seven members of staff.

In his notice to employees and in letters to Prime Minister Pierre Trudeau and the federal minister of Industry, Trade and Commerce, Mr. Pegg criticized the policy of both steel firms who he said are filling export orders in preference to supplying Canadian firms. "I have constantly stressed that in continuing to export steel we are exporting jobs," Mr. Pegg said.

In his letter to Prime Minister Trudeau, on Dec. 13, Mr. Pegg pointed out that his company had just lost "a very substantial order to a foreign controlled company because of the unwillingness of the Steel Company of Canada to commit itself to supply material. We are also in imminent danger of losing a further substantial export order because of the refusal of steel companies to make any commitment in respect of shipment beyond the first quarter of 1974."

The export order which was lost as a result of the company's inability to obtain steel was valued at $3,500,000, Mr. Pegg told Hon Alistair Gillespie in a letter to the Minister of Industry, Trade and Commerce, seeking his assistance. Mr. Pegg wrote that the order would have provided employment for an additional 60 people over a period of some 15 months. "Unfortunately, none of the major steel companies was able to offer us any steel so that we could take advantage of even a portion of this contract." In his letter, dated Dec. 11, Mr. Pegg added, "We have the opportunity of obtaining a similar order valued at approximately $250,000 which would provide much needed employment in this area during the months of January and February but once again the steel companies are either unwilling or unable to make steel available."

Mr. Pegg contacted both the prime minister and the minister of Industry, Trade and Commerce but he only received brief letters of acknowledgement from the prime minister's correspondence secretary and the minister's special assistant indicating that the letters would be brought to the attention of the prime minister and the minister.

As a consequence to his firm's inability to obtain steel for fabricating, Mr. Pegg advised in his notice to employees that he "very much regretted that it is no longer practical to maintain our current level of employment. The level of current orders would have allowed us to maintain

NEW WARDEN of Lennox and Addington County, Bruce Cuthill, is seen above receiving the chain of office for 1974 from the county's 1973 warden, Bruce Weese, Reeve of Camden Township.

-- Beaver Photo by Don Douglas

Elect Richmond Reeve County Warden for '74

By HANK REININK

Bruce Cuthill, 54 year old Reeve of Richmond Township, was chosen the new warden of Lennox and Addington County at the inaugural meeting of the County Council on Monday. He succeeds Bruce Weese, the Reeve of Camden Township.

Mr. Cuthill has spent his entire life in the county. He was born in Adolphustown as the son of a farming family. At an early age the family moved to North Fredericksburgh, where they lived for four years, after which they moved to a farm in South Fredericksburgh. Mr. Cuthill senior bought the farm which is now operated by John Sonneveldt, and it was the senior Mr. Cuthill, who started the now famous herd of Holstein cattle, owned and operated by the Sonneveldts.

"I lived in South Fredericksburgh for 38 years," Mr. Cuthill told County Council in his inaugural address. "And I expect to return there some day, since I have four by six there." The new warden was referring to a grave site he owns in the township.

As his son and three daughters had grown up and moved away from the farm to make a living elsewhere, the dairy farm became too much work for Mr. Cuthill and his wife Hester. They sold the farm in 1962 and moved to a farm in Richmond Township, where they grew canning crops.

Over the years they have sold off parcels of land off the farm, so that they now have only 20 acres left. They still grow canning crops, especially beans, on the land, but since last year their main interest has become the operation of a service station and restaurant near the farm. The business is located on Highway No. 2, about a mile and a half west of Napanee.

Bruce Cuthill's political involvement has spanned some 20 years. He served on the South Fredericksburgh School Board from 1953 until 1958, and in 1959 he was elected to the Township Council. In 1960 he was defeated in the township elections, but he returned to the council in 1962, the year he decided to move to Richmond Township.

In 1967 he was elected by acclamation to the Richmond Township Council, where he has served ever since. The first four years he was a councillor, the next two years he was the deputy reeve, and at present Mr. Cuthill is in his second year as reeve of the township. Warden Cuthill's philosophy about government does not leave much doubt about his feeling towards regional government. He does not like it at all.

"I would not agree with the provincial government coming in and taking the local government away from us," he told The Beaver after the inaugural meeting. "I think government should be close to the people. But I do believe that there can be more co-operation between the different townships in the county."

"This new dog pound and the dog control managed by five of the townships together is a good example," he said. "It may be only a small example, but I feel that that is the direction we should be working in." Even a one-tier government in the county would not satisfy the new warden. He feels the different townships should maintain their own forms of government.

$10,000 FOR GIBBARD FIELD

May use grant for local school fields

In his inaugural address, T. A. Tomkow, chairman of the Lennox and Addington County Board of Education referred to a provincial grant of $10,000 which has been received on the cost of the Gibbard Memorial Athletic Field. Mr. Tomkow said that he would personally like "to see this money used to start the development of the playing fields in our elementary schools."

In his inaugural remarks, Mr. Tomkow referred to the effect which ceilings imposed on school board spending have on the County of Lennox and Addington. Mr. Tomkow said that he agrees with the concept of ceilings being placed on educational costs but resented the fact that "less populous counties like ourselves, who in the past did not have any educational frills or in fact some essentials still find ourselves lagging behind our more populous and affluent neighbors. Nor under prevailing conditions does there appear to be any hope of catching up," he added.

While in most parts of the province, enrolments are declining, Mr. Tomkow said Lennox and Addington County finds itself in the opposite position, particularly in the Napanee and Amherstview areas. "With the Fairfield Elementary School yet to be opened, we can look forward to building more facilities in both these areas in the future," he said.

Mr. Tomkow drew attention to the new requirement of the Ontario Ministry of Education that a secondary school student must have four credits in English and two credits in Canadian studies. He referred to this as a "glimmer of reason" in what has been "a morass" for both students and teachers.

"The responsibility for ongoing curriculum development is now vested in each county board. This will mean a continuing extra cost for our county, but will give us a continuously updated and relevant curriculum over which we as citizens will have come control."

Quality of education, a phrase which has been much used by various segments of the community, Mr. Tomkow said requires a competent and dedicated staff as the "most important ingredient."

He said that the county had been fortunate in this respect. "The radical militants that have created endless problems in other counties as yet stayed away from our county."

The new school board chairman said he was aware of "outside pressures" that are applied on staff members by "their various provincial organizations but I can only hope that those who sow dragon's teeth may not reap a bitter harvest."

"The introduction of the controversial Bill 274 (in the Ontario Legislature) has done little to solve the situation and it is to be hoped that the legislature can soon resolve the problem to the satisfaction of teachers and trustees," Mr. Tomkow said.

NDSS Band going to Expo '74

An invitation has been extended to the Napanee District Secondary School Senior Band to participate in Expo '74, the World's Fair being held at Spokane Washington this year.

The band has been invited to perform at the Festival of Entertainment on June 4.

To build 20 units for senior citizens

An additional 20 senior citizen units for Napanee have been approved by the Ontario Housing Corporation, it was announced Tuesday afternoon by James A. Taylor MLA, Prince Edward-Lennox from his office at Queen's Park.

Mr. Taylor said that announcement of the approval came through the office of Hon. Robert Welch, Ontario Minister of Housing.

This brings the total number of senior citizen units approved for the town to 88. Thirty four have been completed on Water St., and another 34 are being built at the foot of Richard St. A site has not yet been selected for this latest development.

The Ontario Housing Corporation is also building 30 family units to be made available on a rent-geared-to-income basis on Church St. Another 60 units have been approved on the same basis but as yet a site for development has not been obtained.

County school board 'southern oriented' claims northern trustee

Trustee Roy Holtzhauer of Kaladar has served notice he is continuing his one-man fight against what he considers to be "undemocratic" policies, and "southern oriented" thinking by the Lennox and Addington County Board of Education.

Mr. Holtzhauer who represents the northern part of the county on the board is convinced that North Addington Education Centre at Cloyne is not being fairly treated by the administration or by the board.

His latest criticisms are contained in a letter to The Beaver and his constituents and are based on the board's intended treatment of a special grant for $23,500 which the board will be receiving as a result of representations to the minister of education. The representations were made by students and parents last spring after the board announced it was reducing the number of options available at North Addington Education Centre in order to keep within the financial ceilings on educational spending imposed by the Ontario Ministry of Education. At the time, the delegation from Cloyne and area, was advised that amendments would be made to the existing regulations to permit the necessary spending at North Addington Education Centre so that the options could be maintained.

A reduction in the number of teachers at North Addington Education Centre was also involved and it was argued by parents and students that the cutbacks would result in a decrease in enrolment and thus worsen the total situation if it were permitted to occur. The board took the position that it had not received any official word that the changes in regulations would be made and dropped the options and reduced the number of teachers, although a compromise was worked out on this issue.

In a letter to the 1973 board chairman, John Munroe, on Nov. 29, Minister of Education Hon. Thomas L. Wells advised that the appropriate amendment had been made to the regulations "to provide additional assistance in connection with the operation of the small school at Cloyne."

The change was accomplished by adjusting what is known as "the grant weighting factor" and Mr. Wells' letter stated that since the "revised expenditure weighting factor produces no addition to the expenditure ceiling . . . for this reason the Ministry is prepared to approve an amount of $23,500 as supplementary expenditure."

In an analysis of Mr. Wells' letter prepared for trustees over the signature of Mr. Munroe, it was pointed out that the actual daily enrolment in county secondary schools is 21 pupils below what was estimated in arriving at the 1973 budget. As a result, Mr. Munroe's report goes on to state that "the limitation on spending has been reduced by $24,185. The amount of $23,500 stated in the letter is offset by the loss in grant due to the drop in enrolment of approximately 21 students, 19 of these were in North Addington Education Centre."

Mr. Holtzhauer emphasizes that he had predicted the drop in enrolment as a result of the board's action.

While praising the efforts of parents and students to achieve what they sought, Mr. Holtzhauer in his letter writes, "as you can see they are trying to discredit this money for North Addington already, water it down and bury it in the new budget. The board has taken a hard, hard line and has not even recognized the students or parents for their efforts. Our new board chairman has made no recognition of this grant in his inaugural address. He made the mention of one. Would he be southern oriented also?"

"We are not getting a fair educational shake," Mr. Holtzhauer's letter continues. "Here is only one area and there are others."

Mr. Holtzhauer claims that the lack of options affects students who decide to go on to reach Grade 12 by the number of credits they must acquire. "If the student is only average and on entering Grade 12 finds the options left are very limited and are all heavy subjects left to take like the student has struggled with all the way to Grade 11, the student just might throw up his hands in frustration and walk out, like some are doing now."

"The cuts that have been made in funds, options and programs do not entitle us to a cut in taxes. Some of these are only transferred to the south to make use of. If anything you will likely pay more for less education," he writes, addressing himself to northern taxpayers.

"What should be happening, rather than taking some options away there should be more added to the programs to make North Addington the complete educational centre it was intended to be."

Mr. Holtzhauer agrees that the county school board system gives taxpayers more for their tax dollars in many ways. "But", he adds, "it has created a bureaucracy that has given too much power to too few individuals. The actions of some are very hard core and merciless when it comes to making decisions. It is also sad to say that some board members are too gullible and depend and believe too whole heartedly on what the administration may say as gospel truth when such is not the case at all."

"Some of the administration in this system seem to be too power hungry for the best and complete interest of the taxpayers who should be treated more equally and fairly over the whole county system."

While he will continue to co-operate 100 percent for all areas of the county, according to the best of his ability and dictates of his conscience, Mr. Holtzhauer adds, that he will not sit by and "get steam rollered and watch North Addington be

ROY HOLTZHAUER

butchered down to where the children in the north are going to end up with a 1930 or skeleton education like we have received so far this term."

Mr. Holtzhauer then repeats a charge which he made several months ago concerning the director of education, J. C. McLeod and the principal of North Addington Education Centre, William Rowsome: "If the attitudes of the head administrator and the principal of North Addington do not completely change to give our students the education they are entitled to in the north, then the other avenue left open should be taken for you the taxpayers to protect our education in the future. I still feel strongly these two should be replaced for their actions that they used against the north last term. These actions were undemocratic, unprofessional and very discriminating against northern education. You are still not getting your money's worth for education.

"We are being hoodwinked professionally. I've said it before and I'll say it again this education centre was not put here on facts and figures, it was built to educate your children in a reasonable manner and we're not getting that."

Mr. Holtzhauer feels that "the minister of education has made funds available and through the action of the administration the board is trying to hide it so North Addington Education Centre won't get the benefit from it they are entitled to. Your minister of education was man enough and compassionate enough to make this grant available to the county board to help with North Addington. But our bull headed, highly priced, self dedicated and highly educated administrator and board members use no reasonableness about it at all. The decision has been made and we are never wrong. It doesn't matter, right or wrong, that's it."

Harvey J. McFarland

Half of the front page of last Friday's Picton Gazette was devoted to the late Harvey J. McFarland, who had died the day before. It was fitting that this should be so, for the death of "H.J." was big news, for it ended a career which had been of profound importance to Picton and all of Prince Edward County, and of other parts of Ontario as well, including Lennox and Addington County.

Harvey McFarland was mayor of Picton and president of McFarland Construction Co. and active in many other business enterprises. He was a native of this county, born in the Roblin district, and he never forgot it nor allowed anyone else of his friends to forget it either. Harvey McFarland was a man of humble beginnings and he never forgot that either. Many times we have heard him tell stories of his first job in the bush around his birthplace and working in sawmills and with road gangs as a mere boy. Later he began acquiring road machinery and road contracts, not necessarily in that order, as highways began to lace the province in the years before the Second World War and he rose to become one of the major construction men in the business, numbering among his major jobs the huge airport runways at the Royal Canadian Air Force base in Ottawa. But he continued to recall earlier, less glamorous days. One of his stories concerns the cold November day he spent many years ago trying to sell a load of cordwood on Napanee's market. Early in the day he received an offer on the load but turned it down. As darkness fell and a cold wet snow began to fall on Harvey and his load of still-unsold wood, he recalled how he searched his mind to remember who that fellow was that had made him the earlier offer so he could give him another chance. Harvey McFarland re-told such stories about himself with pleasure because he was justly proud of his achievements and the heights he had climbed. Many know that he never forgot what it was like to be poor because they were helped in time of trouble by this same important, but still humble, Harvey McFarland.

Some day we hope someone will write a book about H.J. McFarland. He was one of a breed of man which is disappearing from the world and we may never see his like again.

The Rewards Of Office

In his inaugural remarks as chairman of the Lennox and Addington County Board of Education, Thomas A. Tomkow observed that despite the emotional and physical demands, "in no other way can a citizen of a community better serve his fellow citizens than to be allowed to represent them at some level of government."

Mr. Tomkow even went further and remarked that it is unfortunate that every citizen, at some point in his life, is not required to serve his or her community.

This ideal might be extremely difficult to achieve in a country where a significant percentage of the people do not even bother to vote in federal, provincial and local elections.

Indeed, the apathy of voters in general toward those who offer themselves for public service at the local or county level must have something of a discouraging effect on others who are-equally well qualified to serve. This must be particularly true of people in the younger age groups, particularly, now that the voting age has been lowered to 18. Too often, the result has been self-perpetuating bodies such as township councils where the same faces appear year after year and after they have gone through the various offices, they often are soon back in the field again on the grounds that "nobody else would run," or "I couldn't stand by and see 'so and so' get in."

By contrast, there was the editorial comment last week in The Belleville Intelligencer about the resignation of William Murray as deputy-reeve of Ernestown Township. After 11 years in municipal politics, plus activity in sports and other township and county organizations, The Intelligencer observes that "Mr. Murray can be counted upon as one of those wise people who know when to call it quits."

It is always a problem getting enough good men and women to offer themselves for public service and there is the parallel tendency for the public in general to be satisfied with letting others do what has to be done.

With respect to Mr. Murray, The Intelligencer editorial concludes, "there are others like him, serving their communities across the land, but like Mr. Murray, do they know when enough is enough."

The rewards of holding public office include the physical and emotional drain to which Mr. Tomkow refers but it is to be hoped that those who are elected to serve on public boards and other organizations also concur with Mr. Tomkow's observation that there is no better way for a citizen to serve his fellow citizens.

Education Week On Smoking

To all the "weeks" that are designated during the year for various causes, yet another has been added for 1974. The Frontenac, Lennox and Addington Tuberculosis and Respiratory Diseases Association is the local sponsor for National Education Week on Smoking from Jan. 11 to 17.

A spokesman for the association, Dr. E. Charrette, a member of the Queen's University Faculty of Medicine is confident that more relief is in sight this year for non-smokers from those who are helping to destroy the quality of air with their habit.

The week should be considered as "Consideration Week" Dr. Charrette suggests to indicate the attention which helpless non-smokers should receive from those who enjoy puffing cigarette or pipe smoke into the air.

Colebrook Dam In Winter Garb

LETTERS TO THE EDITOR

Post By Car

Box 106,
Deseronto, Ontario.
January 10, 1974.

After reading Floyd Marlin's letter in this week's Beaver concerning the mail delivery between Deseronto and Napanee I felt I couldn't let this pass without a comment. It gave me a big chuckle.

I too, have experienced problems. On Dec. 3, 1973 I made a special trip to the post office with a piece of music for our organist living at RR 1, Napanee. This was made up special for her for our Christmas choir program, and was mailed first class in a 9 x 4 envelope. As to this date she has not received it, nor has it returned to me. And that is over a month ago.

So, Mr. Marlin, I can sympathize with the slowness of your mail but you can be thankful you at least received it.

I am wondering if termites have invaded the post offices. If so, they must be saying "I can't believe I ate the whole thing!"

So my advice is, if you have anything of value and you have a car, drive it to Napanee.

MRS. G. ROOT

Reply To Deseronto Comments

Deseronto, Ont.
Jan. 11, 1974

In reply to Mr. Topping's letter in your issue of Jan. 9, 1974, I have much respect for the Ratepayers of Deseronto, but as in some organizations of course we have a certain few who conduct their meetings on the street corner. As is often said, and may I advise that these certain few are detrimental to a good organization and were responsible for continuous interference with council in general and were not responsible for the lowering of our sewer rates but by irresponsible news peddling from council meeting to ratepayers members, prolonged the issue. If the majority of Deseronto taxpayers had agreed with the Ratepayers Association I'm sure they would have indicated so in our Dec. 1973 election by electing the undercover agent of the Ratepayers Association.

The Mayor, Mr. Sharpe, and his supporters have never, to my knowledge, indicated that the sewer rate could not be reduced. I'm sure they could have been lowered much sooner if some of those "asinine meddlers" had allowed the majority of council to work together as a governmental body to accomplish the same.

I wonder Mr. Toppings if, during your 16 years of service with the P.U.C., there could have been any bungling deals? I dare say there were, none of us are perfect and, as you remarked, we didn't have a ratepayers association at that time, I cannot say as I'm not sure whether one existed in Deseronto then or not, but perhaps we should have had. Anything our mayor has published in any local papers must have reached the minds of the voters in the Dec. 1973 election as he still commanded a good majority.

May I extend to our council a happy and prosperous New Year, one of accomplishment with the confidence of the taxpayer behind it. I do agree it would be excellent if the council and the ratepayers could work together for the benefit of all.

May I also which a happy and prosperous New Year to the Deseronto Ratepayers' Association and since our Dec. 1973 election with the return of our mayor and reeve , public utilities commission and other members of the council who worked so hard against extreme odds. I feel that in no way will 1974 be disastrous for us.

COUNTY COUNCIL

Dog Tax Plus Tattooing Seen As Solution To Sheep Loss

By HANK REININK

Two employees of the Ministry of Natural Resources presented some new proposals to the Lennox and Addington County Council Monday. They worked out a completely different system of paying compensation for livestock killed by wolves or dogs and they proposed to do away with dog tags in favor of once-in-a-lifetime tattoos, along with a once-in-a-lifetime dog tax.

Bruce Turner, of the Kemptville office of the ministry, told the councillors that it can be easy to tell whether an animal has been killed by wolves or by dogs. But sometimes dogs can make a wolf-like kill and sometimes wolves, or coyotes, make a dog-like kill.

The usual wolf kill involves just one animal. Its throat is slashed, and the insides have been eaten out. Specifically the heart and liver have been eaten. Dogs, on the other hand, are more likely to have attacked several animals, often killing more than one, and the area is strewn with pieces of torn off hide and wool.

Municipalities are responsible for compensating farmers for any animals killed by dogs, while the Ministry of Natural Resources pays for animals killed by coyotes. But since it can not always be determined what kind of a predator has been at work, evaluators of both authorities have to make an investigation.

Since the animals killed by predators are roughly equally devided between those killed by dogs and those killed by wolves, Mr. Turner suggested that a new system be instituted whereby only the township evaluator visits the farmer and settles the loss. The ministry would then compensate the minicipality for one half of the cost of the animal, plus one half of the wages paid the investigator.

Jack Stewart, of the Napanee office of the Ministry of Natural Resources said that in the period from Dec. 15, 1972, when the new compensation act had gone into effect until the end of 1973, the ministry had paid out a total of $3,415 in compensation in the area. The total was made up of $218 for cattle, $3,145 for sheep and $52 for fowl. Ministry personnal had made 190 investigations, resulting in 149 claims being processed. This area had had more claims than any other in Ontario.

A predator control program operated in 31 townships in Prince Edward County, Frontenac, Lennox and Addington, Hastings and Northumberland resulted in 41 coyotes being caught and released elsewhere and in 12 coyotes being shot. There were also 33 dogs caught and 12 shot.

Mr. Turner said his greatest worry was the fact that dogs and wolves will mate and produce a "hybrid" offspring. The hybrid will grow to 80 or 90 pounds, whereas the coyotes seldom weigh more than 30 pounds. Also the coyotes only produce four or five pups, while the hybrids can have as many as 17.

"So you can see the problem we are going to have," Mr. Turner said. "If we want to make our predator control work, we will have to have control over these blinking dogs as well."

Ministry employees are allowed to shoot a dog, if they catch it actually chasing a deer. If they find a dog running at large, they may catch it, but if they can't find the owner, they are bound to let the dog go again. If they do find the owner, he can be charged with allowing a dog to run at large.

"But unless that dog has a dog tag on, it is nearly impossible to prove who owns him," Mr. Turner complained. "If we come to you with a green car marked "Ministry of Natural Resources" and we stop out in our uniform, and we bring your dog on a leash, you have never seen that dog before in your life, even if he jumps all over you and licks your boots."

To overcome that problem, Mr. Turner proposed that every dog be tattooed in the ear by an official, who would take a once-in-a-lifetime $15 dog tax at the same time. That way dogs could always be identified, and there would be no need to sell yearly dog tags.

Not every dog owner bothers to get a dog tag every year, Mr. Turner said. In one eastern Ontario township 42 dog tags had been sold. But when there was a free rabies clinic operated in the township 180 dogs turned up for their shot.

In the discussion following the remarks of the two men, who said they were not bringing these proposals from their Toronto office, but had worked them out themselves, Reeve Bruce Weese, of Camden Township said he felt the 50-50 split on the cost of compensation was not fair. He said there was a serious coyote problem in his township, but the dog control was good. "We have done away with 100 dogs", the Reeve. said. He called for the wolf bounty to be reinstated.

Mr. Turner countered that the current price on wolf hides between $45 and $50, whereas the bounty had never been more than $25. Even with the bounty hunters had seldom gone out specifically to hunt wolves. Most wolves shot had been shot "incidentally" as the hunters happened on them.

Paul Burns, Reeve of Sheffield, complained that the predator control promised by the Ministry had not been very effective. He had called the game wardens out to look at the wolves which were roaming the deer yard near his house "but I don't know it it was two men walking through the marsh twice or four men walking through it once, but nothing has been done about it". There had always been deer and wolves in the immediate area of Mr. Burns' farm, he said. But he had never lost a calf, and his neighbor, who keeps sheep, had never lost a sheep. "We know how to live with these wolves," he said.

Chairman of the Agricultural Committee of the council, Reeve Clarence Hegadorn, became annoyed at the claims that there would not be any timber wolves in the southern part of the County. Not two weeks ago one had been spotted less than half a mile from the core of the village of Bath, he said.

"They are dark, a hell of a looking thing. As chairman of the agricultural committee I am going to see to it that we reinstate the wolf bounty. Whoever can shoot these devilish things, we will pay them."

Reeve Joseph Shelley, of Adolphustown asked Mr. Turner what would happen to his $15 once-in-a-lifetime dog tax if his dog would die within a year. Mr. Turner answered that the $15 would be lost, just like the license fee on a car is lost if it is wrecked.

"I think your idea is crazy," the reeve observed. And Mr. Turner calmly replied that he had been told so before.

At a motion by Reeve Gordon Plotz, of Denbigh, seconded by Reeve Cecil Kidd, of Ernestown, council decided to ask the agricultural committee to look into the proposals of the two Ministry of Natural Resources employees.

Later on in the meeting of county council three separate resolutions, one from Camden Township, one from Frontenac County and another one from Victoria county, all calling for the reinstating of the wolf bounty were endorsed.

"This thing comes up year after year and nothing ever gets done," Deputy Reeve Duane Williams of Camden Township said. "It is time we stood up on our hind legs and be heard."

LUCKY WINNER of the Kinsmen Club of Napanee snowmobile draw, Mrs. G.D. Jonah of Kingston receives the keys for the vehicle from Colin Myatt, chairman of the club project. Mrs. Jonah's husband, Capt. G.D. Jonah is stationed at Ismalia, Egypt with the Canadian contingent of the United Nations peacekeeping force.

Beaver Photo by Don Douglas

Silviculture is a part of forest management dealing with the establishment, tending and renewal of forests.

Woods such as cedar and tamarack are resistant to decay while others such as poplar and balsam rot quickly.

DR. LAVERN SNIDER

A missionary to Japan, under the General Missionary Board of the Free Methodist Church, Dr. Lavern Snider will be guest speaker at the Westdale Park Free Methodist Church, Napanee on Sun. Jan. 20.

Napanee Couple Leaving Area Honored By Gideons

On Sun., Jan. 6, a number of Gideon friends gathered at the home of Mr. and Mrs. Gordon Osborne for a social evening in honor of Constable and Mrs. Raye Harrington.

Constable Harrington and his family expect to move to the Toronto area soon where he will have a new position in the Ontario Provincial Police organization, working for and promoting safety for children throughout the province.

Constable Harrington has been a member of the Napanee Gideon Camp for nearly three years and during that time has contributed greatly to the fellowship and work of the camp. During the past year, he has been vice-president and member in charge of distribution of the Youth Testaments. Under his direction over the past two years more than 1,400 Youth Testaments have been given to students in Grade 5 in county schools.

Gifts of remembrance were given to Mr. and Mrs. Harrington and president E. A. Cechetto expressed to Constable Harrington and sincere thanks of the Gideon camp for the help that he had given with camp projects. All of those present expressed their regret that Raye and Margaret would be moving from this area in the near future.

With the regret went a wish and a hope, that they would find every happiness in their new surroundings and the hope that after their move their friends in this area would still see them occasionally.

John Black To Address Area United Church Woman

Plans are being made for the twelfth annual meeting of the Belleville Presbyterial United Church Women. The meeting will convene at Holloway Street United Church, Belleville on Thurs. Jan. 24 at 9 O'clock.

The guest speaker, John A. Black Q.C., of Kingston, will present the theme, "Personal Commitment". Mr. Black is a native of Kingston and was educated in the Kingston schools and Queens University. He is a graduate of Osgoode Hall Law School. Mr. Black is active in community work and holds various positions in the Kingston area. He is well known to church people both in Kingston and farther afield because he is active in his local church, Kingston Presbytery, Bay of Quinte Conference, and the General Council of the United Church of Canada. He is Past Chairman of Kingston Presbytery and Past President of the Bay of Quinte Conference.

At the present time he is a representative to Kingston Presbytery, a member of executive and sub-executive of the Bay of Quinte Conference, a member of executive and sub-executive of General Council and a member of the Board of Management, Queens Theological College, Kingston.

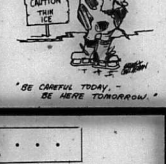
TAMWORTH

The weather has been below zero lately but it is bright for a few days of the week.

Mr. and Mrs. Geroge Kirk and family of Harrowsmith and Mrs. Sara Kirk spent the Christmas dinner hour with Mr. and Mrs. Roland Kirk. Supper guests at the same home included Mr. and Mrs. Vernard Detlor and family of Enterprise; Mr. and Mrs. Shirlie Detlor and Ronald La Fee; Mr. and Mrs. Bruce Hinchey and family and Mr. and Mrs. Joe Pierce and family.

Mr. and Mrs. Jack Bradshaw of Tamworth and Mr. and Mrs. David Bradshaw of Edmonton spent the supper hour on Tuesday last with Mr. and Mrs. John Young.

Due to the bad weather conditions last Monday, there was not a very large turnout at the Tamworth Smiling Sixties' euchre. The prizes were won by the following: men's first, Orval Haggerty; men's 2nd, Stanley Jackson. Ladies' 1st., Mrs. Dillon; ladies' 2nd., Mrs. Stafford Hunt. Most lone hands were won by Tom Cunningham and the door prize was won by Mrs. Mae Prue.



ROBLIN

Roblin community was saddened to hear of the sudden passing of H. J. McFarlane of Picton, who was born and lived here until about 30 years ago. Sympathy is extended to his relatives and friends here.

The January meeting of the local W. I. was held at the home of Mrs. Wilbert South on Thursday afternoon with a good attendance. The district president, Mrs. Richard Hill was guest speaker.

Ken Hart and Carl Hart flew to Edmonton, Alberta and attended the funeral of Ken's brother Albert.

Mr. Percy Morgan is a patient in Kingston General Hospital. We hope he will be able to return home soon.

Mrs. K. Hart spent a few days in Toronto last week.

Mr. and Mrs. Vernie Kimmett, Napanee and Mrs. Sara Richmond were dinner guests at the home of Mr. and Mrs. Roy Babcock on Sunday.

Mr. and Mrs. Harry Schamehorn entertained the Brooks family to dinner, recently.

Local Couple Mark 40th Wedding Anniversary

MR. AND MRS. ARCHIE WAGAR

Mr. and Mrs. Archie Wagar recently celebrated their 40th wedding anniversary in their home at 282 Camden Road, Napanee.

Mr. Wagar is the son of the late Mr. and Mrs. Coleman Wagar, and has been a farmer most of his life at Switzerville and Selby, then came to Napanee in 1971, when he and his wife bought their home on the Camden road. Since coming to Napanee he has been employed with the Town of Napanee.

Mrs. Wagar is the former Annie Fitchett, daughter of the late Mr. and Mrs. William Fitchett.

They had no children and Mr. Wagar lost his only sister, the late Mrs. Roy Garrison in 1958, but Mrs. Wagar has two brothers Morley and Gordon, and two sisters, Beatrice Blitoft, and Pearl Thompson all of Napanee.

More than 70 guests came to call on the "bride and groom" during the afternoon and evening, and they received several lovely gifts, flowers, cards and phone calls along with well wishes for a long and healthy life.

A 14-storey apartment building - the first high-rise in the Yukon Territory will get underway next spring in Whitehorse at an estimated cost of $2 million. It will have an enclosed swimming pool and a sauna bath, to be completed by December, 1974.

Canada has about 10% of the productive forests of the world and 17% of the world's coniferous growing stock.

In a twenty-four hour day, one modern paper machine may produce 700 miles of newsprint.

Wedding Bells

DESVEAUX — SMITH

Hastings County Couple Wed 65 Years

A Thurlow Township couple, Mr. and Mrs. Elmer Vivian recently celebrated their 65th wedding anniversary.

During the afternoon on Sun. Dec. 30, many friends and neighbors dropped in to congratulate them and extend best wishes.

Present for the occasion were their only son Gordon and his wife, Verna; their daughter Beverley Ann and her husband, Donald Lunney and children, including their son Richard and his wife Bonnie and children, all from Brampton.

Mr. and Mrs. Vivian have lived on the second concession of Thurlow Township for most of their lives, with the exception of a few years spent in the United States. Mr. Vivian farmed until recent years.

They received many anniversary cards, a pink 'mum' plant from the neighbors' Aid and a yellow 'mum' from the Shannonville United Church Women along with several other gifts.

Messages of congratulations and best wishes were received from Prime Minister Pierre Trudeau; Ontario Premier Hon. William Davis; Dr. R. T. Potter, MLS Hastings; J. Elwood Madill, MP, Brampton; J. R. Ellis, MP, Hastings and congratulations from Opposition Leader, R. L. Stanfield. Hastings County Warden, Horace Casey and Mrs. Casey sent a floral arrangement.

A poem, composed for the occasion by their grand-son-in-law, Mr. Lunny of Brampton was read by him.

Dainty refreshments were served and a social time was enjoyed by all over a cup of tea.

A layer of the couple's 60th wedding anniversary cake was also served. This had been carefully preserved by their grand daughter, Mrs. Donald Lunney who was in France at the time of their 60th anniversary.

Elizabeth Fay Smith, River Road, Napanee, became the bride of James Bruce Desveaux, 3 Centre St., Napanee in an early December wedding solemnized in the Church of St. Mary Magdalene.

The bride is the daughter of Mr. and Mrs. W.G. Smith of River Road, Napanee and the groom is the son of Mr. and Mrs. Naish Desveaux, Centre St., Napanee.

The marriage ceremony was performed by Archdeacon W.L. Simmons and Rev. A. Deaveau.

The organist was Mrs. Betty Stimpson.

Given in marriage by her father, the bride wore a floor-length gown of white "peau de sole" which had a flowered trim studded with pearls. She wore a matching long veil and head dress of pearls and rhinestones.

She carried a bouquet of pink roses and miniature white carnations.

The matron-of-honor was Miss Margaret Freeman of St. Catharines. Miss Jane Scott of Napanee was the bridesmaid. The bride's sister, Miss Julie Smith was the junior bridesmaid.

The matron-of-honor and bridesmaid were dressed in deep mauve velvet. The junior bridesmaid's dress was of deep pink velvet. There was lace trimming on all the dresses at the neck and sleeves. The attendants wore matching mirabeau hats.

The best man was Dale Desveaux of Napanee, and the ushers were the bride's brother, Geoff Smith of Dartmouth, N.S. and Leo McPherson, the groom's cousin from Scarborough.

Following the wedding a reception and dance were held at the Royal Canadian Legion Hall, Napanee.

The bride's mother received guests in a mint green, floor-length polyester gown with gold accessories. She wore a corsage of yellow roses.

The groom's mother wore a floor-length gown of floral polyester sheer over taffeta, with silver accessories. She wore a corsage of pink roses.

For travelling to Montreal and Quebec City, the bride wore a wine-colored plazo pant suit and a white fur jacket with a corsage of white carnations.

Mr. and Mrs. Desveaux are living at 15 Alfred St., Napanee.

Guests were present from Sydney, N.S., Dartmouth, N.S., New Waterford, N.S., Barrie, Ottawa, Smiths Falls, Preston, St. Catharines, London, Scarborough, Gananoque, Belleville and Kingston.

Prior to her marriage, showers were given for the bride by the groom's cousins, Miss Sharon McPherson and Mrs. Pat Thompson; by Miss Jane Scott, at the home of Mrs. F.B. Elliott, Graham St., and by Mrs. Gayle Waitson and Miss Nancy Hughes at the home of Mrs. W. Card on Bridge St.

SELBY U. C. W.

The January meeting of the Selby United Church Women was held on Thurs., Jan. 3.

The new executive which included: Mrs. Glen Martin as president; Mrs. George Collings as vice-president, Mrs. Doug Jackson as second vice-president; recording secretary, Mrs. Doug Thomlison and corresponding secretary, Mrs. I. McFarlane, were installed by Rev. R. Willson.

The new president, Mrs. Glen Martin, opened the meeting and called upon members to repeat the U.C.W. purpose.

The worship service was in charge of Ruth Pringle, who began with a reading entitled "New Horizons". The singing of "Oh God our Help in Ages Past" was followed by prayer. Mrs. Hart read the scripture from Phillipians, Chapter 3, verses 7-15. Mrs. Pringle continued with an interesting meditation on the New Year, a time of fresh beginnings. A reading, "Can I Pray the Lord's Prayer" urged members to guard against allowing this prayer to become a meaningless mechanical repetition of words. The offering was received by Barbara Brookfield and dedicated by Ruth Pringle. Following the singing of "Lead on Oh King Eternal," the worship service closed with prayer.

The minutes of the December meeting were read along with reports from the treasurer and the corresponding secretary. The Annual Presbyterial meeting was announced and is to be held in Holloway St. United Church in Belleville on Jan. 26.

In introducing her program, which she entitled "A New Year's Stew", Mrs. George Collings extended New Year's greetings to all. Using the theme "Stewardship", she read a meditation on the New Year. Lorraine Martin carried out the theme with a reading on willingness in giving and receiving. Helen Martin continued with a reading entitled "A Labour of Love" and this was followed by another reading "A Steward's Prayer" by Mrs. W. J. Booth.

In her commentary on stewardship, Mrs. Collings reminded members of the need to share human fellowship with others as well as the need to reaffirm the determination to serve the Master better in the coming year. Following a thought-provoking dialogue on stewardship by Jean Frisken and Wilma McFarlane which encouraged all members to live as good stewards, using talents wisely, the meeting closed with prayer.

During the program, Mrs. Collings read an interesting article concerning the "Fellowship of the Least Coin" which in Canada is the one cent piece. This idea was introduced to Canadians in 1968 and is to be considered a prayer fellowship rather than a coin collecting. A "least" coin is set aside each month and contributed annually in the name of Christian women.

PERSONALS

Mrs. Jean Asselstine, Toronto spent the weekend with Mr. and Mrs. Robert Baxter and family and later called on her parents Mr. and Mrs. Wyon Kirkpatrick and sister Laura, Mrs. Creston Hawley and Mrs. Harold Chisholm, Maribank. Mr. and Mrs. Don Asselstine and girls of Maribank spent Saturday evening with Mr. and Mrs. Robert Baxter and Mrs. Jean Asselstine and later Mr. and Mrs. Tom Asselstine and John of Newburgh called at the same home.

x x x

Mr. and Mrs. LaVerne Switzer, Marvin and Janice have returned home after a three weeks vacation trip to Florida. During their two weeks stay in Lakeland they enjoyed very warm sunny weather, visited many interesting tourist attractions, spent Christmas Day with Mr. and Mrs. Donald Pringle and also called on Mr. and Mrs. Percy Pringle several times, who spend the winter there.

x x x

WILTON W. I.

The first 1974 meeting for the Wilton W. I. was held at the home of Mrs. Clayton Redden last Thursday afternoon. The roll was answered with the exchange of fruit bread recipes. Mrs. Clayton Redden acted as secretary, due to the absence of Mrs. Lloyd MacArthur. Several letters of appreciation for Christmas remembrances were read, and several donations accepted.

Summary Day for "Baked in a Pie," a Senior project, was announced for January 24 at one o'clock in the Anglican Church Hall at Morven.

The program for the afternoon had been prepared by Mrs. D. Rhind, convenor for "Family and Consumer Affairs." As Mrs. Rhind could not be present, the program was presided over by Mrs. Russell Simmons, and consisted of readings.

Mrs. Hare expressed appreciation to Mrs. Redden for her home and for the fine program. A "cake" contest was won by Mrs. Clinton Babcock. A scrapbook, and a 1917 Simpsons catalogue were on display, and proved very interesting. Lunch was served and all enjoyed the social hour.

x x x

Miss Anne Simmons spent last week with her friend, Miss E. Hamilton in Ottawa.

Mrs. Russell Simmons and Mrs. George Hymers attended Training School, on Tuesday and Wednesday, for the 4-H Club project - "Accessories for the Bedroom." This was held at the Memorial Building in Napanee.

Mr. and Mrs. Delbert Winters of Napanee were Sunday afternoon callers on Mrs. M. Henderson and son, George.

WESLEY W.C.W.

The first meeting of the New Year for Wesley United Church Women was held Thursday evening. In spite of very cold weather there was a good attendance.

The president Mrs. Harold Cook was in charge and opened the meeting with a reading and then welcomed everyone. Business preceded the devotional service, at the close of which the fiynb "God Sees the Little Sparrows Fall" was sung with Mrs. Cook accompanying.

Mrs. Stewart Moore was the guest speaker and her topic was "Local Birds". Verses of scripture were read pertaining to birds. Mrs. Moore told of her bird family who visit their farm home daily for breakfast, lunch and supper. She exhibited a bird feeder which she had made of sturdy bark and which she keeps filled with various treats for the birds. This one usually contains a mixture of suet or lard mixed with oatmeal.

A contest pertaining to birds was an additional pleasure which Mrs. Moore provided. The members enjoyed and appreciated Mrs. Moore's informative talk and she was sincerely thanked.

Lunch was served, and a social hour followed.

"About the only thing I've got to look forward to is being hijacked somewhere between here and the supermarket."

Honor Mr. And Mrs. H. Reid On 25th Wedding Anniversary

An anniversary dance was held in Centreville Township Hall on Sat. Dec. 22 to honor Mr. and Mrs. Hugh Reid on the occasion of their 25th wedding anniversary.

Mr. and Mrs. Reid were married Dec. 26, 1948 by the Rev. F.O. Ware at Tamworth. Mrs. Reid is the former Cora Gray daughter of Mr. and Mrs. Sam Gray, Tamworth, who were present for the occasion.

The Reid's have five sons and two daughters, who were all home for the weekend: David and Charles, St. Thomas; Ken, London; Paul, Toronto and Bill, Carolyn and Ruth at home, as well as their daughter-in-law Marianne and granddaughter Vanessa.

The party was arranged by Mrs. Reid's three brothers and sister and Cora's parents, four sisters and two brothers, who with their families were present for the occasion.

The table at the front of the hall was centred with an anniversary cake complimented by silver candles, holders and decorations.

Family tree charts for the Gray and Reid families have been prepared and were of interest to a number of the guests.

Bruce Weese, Reeve of Camden Township extended best wishes from the Township of Camden and made a presentation of 25 silver dollars from members of the Township Council.

Mr. and Mrs. Reid expressed their thanks for the lovely gifts, cards and best wishes they received and their appreciation to all for the happy evening arranged for them.

After an evening of dancing, to the music of the LaChappelle Orchestra and visiting with friends and relatives, lunch was served to the guests by nieces and nephews.

Elections, guests speakers and demonstrations of back fat testing. 3b

---

MAPLE
LENNOX W.I.

Mrs. Bert Fretts was hostess to the W. I. for their first meeting of 1974 with a fair attendance. Roll call was answered by a Hint on Consumers Tips. The minutes were read and adopted and a gratifying report from the treasurer. Business and correspondence were dealt with.

A committee was named to make plans for our 80th Anniversary in August. Summary day for (Bake in a pie) will be held at Morven hall Jan. 24th.

Mrs. W. Cuthill donated a crotched lamb for tickets to be sold on.

Mrs. F. McDonald (Con. of Family and Consumer Affairs) had charge of the program. She gave several readings; one on family and consumers go hand in hand, also why artificial coloring in oranges when they are picked ripe off the trees and are they safe for marmalade with the dye. Yes, was the answer, and our national heritage.

She also gave some highlights of a 1937 budget and prices.

Our hostess was thanked for opening her home and served a lunch of apple pie and cheese.

February meeting will be held at Mrs. Larry Wannamaker.

BATH U. C. W.

The inaugural meeting of Bath U.C.W. for 1974 was opened by the president, Mrs. MacLeod, with a greeting and a New Year's poem. Miss Mary Davy began the devotional program with "A New Year's Thought" followed by the singing of Hymn 483, "He Leadeth Me", with Mrs. Hilda Sams at the piano. Psalm 121 was read in unison. Miss Davy then listed six ways in which God leads us. These are — 1. The Life of Jesus. 2. The Church. 3. Individual and Group Guidance. 4. Through Science. 5. Through God's Providences. 6. The Inner Voice. Members were then asked to give their comments and opinions on each way. God Is In Every Tomorrow was read, and "Twenty Commandments', by Dr. Rosenberg. Hymn 388, "O Master Let Me Walk With Thee" was sung followed by a prayer and a final meditation. Answering roll call were three new members, Mrs. Kay Galt, Mrs. Barbara Hagerman and Mrs. Bernice Milligan. The minutes were read and approved and Mrs. Kay Reid gave a detailed report for the past year. Mrs. Farley and Mrs. Buck moved that Mrs. Sams and Mrs. Edna Milligan be authorized to purchase a clock with an engraved plate in memory of our late president, Mrs. Edna Stinson. Several thank-you notes were received from relatives and recipients of Christmas baskets and gifts. On a motion by Mrs. Mary MacCuaig and Mrs. Olivia VanAlstyne it was decided that Mrs. Myrtle Farley should purchase a belated birthday gift for Mrs. Leah Smith who recently celebrated her ninety-fifth birthday. Mrs. Rita Brooks and Mrs. Mary Benn moved that an additional fifty juice glasses be purchased, Mrs. Sams offering to do same. A motion was made by Mrs. Ann Graham and Mrs. Winnie Amos that the secretary should obtain information about obtaining souvenir plates for the 125th anniversary of Bath United Church. Donations were made to the Birthday Box by Mrs. Grace Amey, Mrs. Mary Benn, Mrs. Rita Brooks, Mrs. Ada Buck, Mrs. Myrtle Farley and Mrs. Grace Weese. Several home and hospital visits were recorded and the drawing took place for "Secret Friends". The meeting closed after the Benediction and singing of Grace.

MOUNT PLEASANT
PIONEER W. I.

Mount Pleasant Pioneer Women's Institute held their Jan. 11 meeting at the home of Mrs. Walter Hudson. Mrs. Manley Hart, 1st. vice president conducted the meeting.

After opening with the Ode and Mary Stewart Collect, the roll call was current events, answered by seven members and eight visitors. The minutes of the previous meeting were adopted. The treasurer's report was given by Mrs. Hudson. One member joined. A motion was passed to pay district dues when due. Correspondence was read: a "thank you", invitation to Summary Day at Morven, Jan. 24 and excerpts from the Federated News.

Demonstrations were given by Mrs. Cummings and Mrs. Hudson. A contest was given by Mrs. Ross Tucker, the winner being, Mrs. Lorne Woodcock.

Mrs. Hart and Mrs. Oliver thanked that program committee and the hostess.

Progressive euchre winners were: ladies' high, Mrs. L. H. Harvey; ladies low, Mrs. Fred Eggleton. Men's high, Lorne Woodcock; men's low, Alan Hudson. Lone hand, Fred Eggleton. Travelling prize, Mrs. R. Oliver.

Appeal Urges Consideration For Those Who Don't Smoke

"NON-SMOKERS HAVE RIGHTS TOO!" This is the theme of National Education Week on Smoking which is being observed in Frontenac, Lennox and Addington Counties from January 11 through 17, 1974. The opening date marks the tenth aniniversary of the United States Surgeon General's report which linked cigarette smoking with major health problems such as cancer and heart and lung diseases.

Purpose of this year's campaign is to emphasize that non-smokers have a right to breathe clean air and to influence smokers to show greater consideration for those who do not smoke by restricting their habit in public places.

National Education Week on Smoking is sponsored by the National Interagency Council on Smoking and Health. The Council membership includes 34 national organizations interested in health and medicine. In this area, the sponsor is Frontenac, Lennox and Addington Tuberculosis And Respiratory Diseases Association. The spokesman for the Association is Dr. E. Charrette, assistant professor, Cardiovascular and Thoracic Surgery, Queen's University.

Dr. Charrette said the Smoking Education Week effort will centre on obtaining widespread recognition for a "Please don't smoke" Symbol representing the rights of the non-smoker and the introduction of a three-point statement drawn up by the Association, known as the "Non-Smoker's Bill of Rights."

"Non-smokers can protect the health, comfort and safety of everyone," by insisting on:

1) the right to breathe clean air, free from harmful and irritating tobacco smoke;

2) the right to express their discomfort and to object when smokers light up without asking permission; and

3) the right to act through legislative channels or social pressures to restrict smoking in public places.

The "Please don't smoke" emblem is based on an internationally used symbol, part of a series of safety and warning signs. It consists of a crossed-out cigarette within a circle. The symbol is the focal point of posters and other display materials distributed by the Association.

"The harmful effects of smoke breathed in by non-smokers who are frequently a captive audience in close quarters with smokers will be pointed up as part of our campaign," according to Dr. Charrette. "A more recent report by the Surgeon General has stated that tobacco smoke can result in various allergic symptoms and serious discomfort among those who are exposed to a polluted atmosphere caused by smokers. It can be particularly harmful to those already suffering from lung or heart ailments."

During Smoking Education Week, clubs, organizations and medical groups will be asked to endorse the "Non-Smoker's Bill of Rights" and to request members to refrain from smoking during meetings or to set aside separate smoking areas.

It is anticipated that the efforts made or initiated during National Education Week on Smoking will serve as a springboard for a continuous program to assert the rights of the non-smoker" Dr. Charrette said.

DISTRICT SPORTS

WIN 2 GAMES

TIREMEN IN TOP FORM AS SCHEDULE NEARS END

By: BILL MOORE

Last Wednesday night in Tamworth the Napanee Tiremen shut out Tamworth 4-0 in a well played hockey game.

On Thursday night in Napanee, the Tiremen dumped Kingston Township in a rough game by a 9 to 5 score. Thursday night's game was the last home game for the Tiremen in Quinte-St. Lawrence Juvenile League play but they have three away games yet against Trenton, Picton and Kingston Township.

In the gbame at Tamworth the Tiremen won the game but lost the services of defenceman Mike Kimmett in the third period who suffered a broken wrist after a hard bodycheck and he will be missed on the Napanee blue-line.

Napanee led 3-0 at the end of the first period with Bob Simpson scoring an unassisted goal at 5-15 and at 12:30 Rob McDannold scored unassisted. Terry Brady made it 3-0 at 17:20 on passes from Terry Peters and Grant Elliott. There was no scoring in the second period although Napanee rapped four pucks off the goal-post. The Tiremen got the fourth and final goal at 15:35 of the last period, Joe Craven scoring from Andy McGrath. Dave Lochhead picked up the shut-out in this game with each team picking up four penalties.

The game on Thursday night was a rough one with Kingston trying to out-muscle Napanee. Kingston held a 4-3 lead at the end of the first period. Napanee scored at 49 seconds, Tim Griffin from Andy McGrath but Kingston tied it up at 1:21, Alan Dunn scoring from Hurlbut. At 1:56 Roger Mills combined with Rob McDannold to put the Tiremen ahead again. Kingston tied it up on a power play at 4:21, Larry Harvey scoring from Kehoe. At 4:40 Mike Kehoe made it 3-2 for Kingston but at 11:16 Bob Murphy tied it up from Terry Brady on a power play. At 18:43 Mike Kehoe made it 4-3 for Kingston unassisted.

A major penalty to Kingston's Scott Zurrer was costly as Napanee scored three goals early in the second period. Terry Brady scored from Murphy at 40 seconds. at 4:32 Roger Mills made it 5-4 and at 4:56 Rob McDannold scored from Brady. At 5:12 Terry Brady scored from Simpson to make it 7-4. and at 14:19 Grant Elliott scored from Roger Mills. Kingston got that back at 15:45 Larry Harvey scoring from Hurlbut. Roger Mills made it 9-5 at 1:39 of the last period with both teams sticking to hockey in the last period.

Kingston picked up four major penalties to three for Napanee and these players were tossed out of the game. Napanee picked up 16 to 15 penalties for Kingston and shots on goal were 43 to 42 in Napanee's favor.

Announce Grant For Study On Flooding

A grant of $2,025 has been made available through the Napanee Region Conservation Authority for additional preliminary study on the Laraby Rapids Dam and the Salmon River.

Announcement of the grant was made by Hon. Leo Bernier, Ontario Minister of Natural Resources whose ministry provided the funds and W. J. (Bill) Nuttall, MLA for Frontenac-Addington.

Purpose of the study, for which the funds have been provided, is to determine the extent of flooding which will occur under conditions of design flow. It will determine the effect of water level elevations on cottages at Beaver Lake and No. 41 Highway, based on the elevation and capacity of the spillway of the Laraby Rapids Dam.

All member municipalities of the conservation authority have been designated as benefiting from the results and will bear the authority's share of the cost.

Thirty Girls Join Majorettes

Napanee Majorettes announce that they have just spent more than $400 on 70 new hats to match the uniforms for all the girls. They now require boots and uniforms for 30 new majorettes who joined the corps this fall.

A tag day was held in the early fall and the girls sold Christmas cakes to raise money as well. However, the leader, Mrs. Brenda Leclair reports that money is still needed to buy uniforms for new majorettes. The outfits will be needed for parades this coming summer.

Practise sessions are held every Monday evening at Napanee District Secondary School.

This year, the Napanee Majorettes took part in three Santa Claus parades in Napanee, Kingston and at Picton.

At the end of May. two trophies are awarded. The trophies are for the girl who improves the most during the year and for the best all-round majorette. The latter is for the girl who attends most practises and shows great interest.

SOUTH LENNOX LEAGUE

Tiremen And Junior Farmers Tied For Top League Spot

By: D'Arcy McKittrick

The Napanee Tiremen snapped Hawley's two game winning streak to keep pace with the Junior Farmers in Friday's South Lennox Hockey League action.

In the first game, Hawley found themselves still in the lead after 40 minutes of play. However the last period proved fatal. Eric Galt put Hawley out in front at the midway mark of the first period. Less than a minute later Gunner Peterson reinforced the lead with his power play goal. Roger Mills closed the gap by one goal in the middle stanza before the dam burst. Kevin Craven, Terry Howie, Bob Simpson, and Bob Murphy each tallied once as the Tiremen spring for four unanswered third period goals, and a win. Final score 5–2 Juveniles.

The second game saw the Junior Farmers edge Amherst Island 4–3. The score was even, each team notching one, at the end of the opening period. Dale Desveaux scored for the Junior Farmers, Terry Simpson replied for the Island crew. Again, in the second, each team could only manage one goal. Wayne Brawley gave Amherst Island a short lived lead as Larry McNiel evened things up four minutes later. Bill Kimmett notched one while McNiel added his second of the night to outscore Amherst Island 2–1 in the final stanza. Ed Murray had the lone score for the losers.

To wrap things up in the late game, Jacksons and Reserve played to a four all deadlock. Rob Lewis for Jacksons and Milligan for Reserve scored in the opening period. Ron Lafontaine potted one early in the middle period to give Jacksons the advantage going into the final 20 minutes. However Reserve getting goals from Pat Maracle (with two) and Jim Horwood, outscored Jacksons 3–2 to maintain the balance, in the third period. Ron Lafontaine notched his second of the night for Jacksons, Bob Galt added the other.

The league now stands with the Junior Farmers and the Juveniles tied in first spot with 15 points, followed by the Reserve and Jacksons with 11 points a piece, while Amherst Island and Hawley are also tied. They each have four points.

Next Friday the Juveniles will encounter Amherst Island at seven o'clock, the Junior Farmers and Reserve square off at 8:20 followed by Hawley battling Jacksons at 9:40.

Results Of Weekend Action In Frontenac-Addington League

By JOHN CLARK

On Sat. Jan. 12th Sharbot Lake started off the triple header hockey game winning over Roblin by 5–4. This game is under protest due to alleged illegal players on Sharbot Lake's team. Henderson beat Yarker in the second game by a score of 5–4.

Tamworth tied with Harlowe 1–1 when Harlowe scored at 19:30 of the last period of the game.

JUVENILLE HOCKEY

Tamworth lost the first game out of 10 to Centreville 3—1.

Roblin and the Frontenacs battled to a 2–2 tie.

Minor Hockey

By JOHN CLARK

On Sat. Jan. 12 in the Pee Wee Division, Trenton beat Tamworth young Braves 4-2.

INTERMEDIATE "D" TRENT VALLEY LEAGUE

On Sun. Jan. 13, Tamworth Braves lost the first hockey game out of seven.

Tweed Oil Kings won over Tamworth 4-2.

In the first period at 3:24 Earl Smith got the Braves first goal unassisted. Tweed tied up the game at 10:50 when Bill McGuire scored, assisted by Grant Haggerman. At 11:10 Tamworth went ahead again when Barry Roantree scored assisted by Garry Hart and Barry Remington.

In the second period Grant Haggerman collected two goals for Tweed at 17:48 and 18:57, assisted on the first by Terry Lesage and Dorian Lesard, and getting the second unassisted.

In the third period at 19:24 Grant Haggerman got Tweed's fourth goal unassisted in the open net.

Tweed got five penalties to Tamworth's eight.

The next Tamworth Braves game will be Sat. Jan. 19 at 8:30 when Tamworth meets Campbellford in Tamworth arena.

Scott Finlay Wins Place On Ski Team

Scott Finlay, 17-year-old Grade 13 Student from Strathcona has again made the National Capital Ski Division ski team. On the team of six boys and two girls, he is the only member of the team from outside the Ottawa area.

He spent 14 days over the Christmas season training at the Ottawa Ski Club.

The next three major races he will be competing in, will be the Pontiac Cup, the Can Am race and the Federation of International skiing competition.

Scott has the second lowest slalom in the division.

The next big race is the Pontiac Cup downhill at Mount Orford, Que. being held the week of Jan. 24.

He is the son of Mr. and Mrs. Hugh Finlay of Strathcona.

KINSMEN DRAW WINNERS

J. Taylor was the winner of the $25 first prize in the first Napanee Kinsmen 200 Club lottery draw last week. Other winners were: N. Holmes $15 and D. Tremblay $10.

The three cash prizes are offered weekly. At the end of April there will be a draw for $500 and at the end of June, there will be a draw for $1,000.

Midgets Score 7-1 Win Against Kingston Township

BY: D'ARCY McKITTRICK

Saturday night Napanee Pringle's Midget All-Stars hockey team had a "field day" with a hapless Kingston Township team. The locals bombarded the visitors with seven goals, while Brad MacDonald was only beaten once. The midgets took advantage of their opportunities, with three of the seven goals coming on power plays.

Dale Elliott opened the scoring with less than two minutes having passed in the opening period. His goal came on relays from Terry Brady and Mike Whalen. At the midway mark of the same period, Kingston got on the scoresheet when David Ottenhoff tallied while Napanee was a man short. Three minutes later Bill Kimmett combined with Roger Mills to give Napanee a lead which they did not relinguish. Howie Mahon tallied late in the period to put the locals up two goals after 20 minutes of play. Terry Brady drew an assist on the play.

In the second period, Napanee scored twice, each time with the man advantage to set the score at 5-1 to start the final stanza, Tim Davey accounted for the first at the 2:50 mark on a play with Brian Munroe and Dale Elliott, while the latter scored the second. Howie Mahon and Terry Brady assisted on the goal.

Kingston were unable to score in the third period, as well as unable to stop Napanee from scoring. Terry Brady and Roger Mills set up Bob Simpson for a goal early in the period. Then while Kingston was shorthanded due to a bench penalty, Joe Craven wrapped up the scoring; Mills and Kimmett were in on the goal.

The only category Kingston Township came out on top in was penalties. The losers took 13 minor penalties to Napanee's 15.

The locals played Tuesday in Trenton and close out the schedule in Gananoque tonight.

NAPANEE DISTRICT MINOR HOCKEY RESULTS

BANTAM

Selby Plastic (5) K. Baker, A. Doyle 2, B. Kelly, B. Frizzell — Wilson's Clothing (3) T. Beattie, S. Gilbert, L. Dudgeon.

Greg Mills Scores 5 At Centre 70 Tourney

The McCutcheon Realtor Pee Wee All Stars played all their hockey last weekend at Centre 70. On Saturday they attended the Kingston Township Pee Wee Major Tournament. In the first game Napanee won over Picton 8-2. Greg Mills put in five goals on assists from Kevin Gillott on two counts, Steve Dickerson and Mike Martin. One goal was unassisted. Paul Roantree also picked up an unassisted goal Brant Doyle scored from linemates Dickerson and Mills and Peter Hinch picked up a rebound on a shot from Martin to score the final goal. Pucks were presented to the boys chosen as the stars of their game. Greg Mills received the first star and Mike Martin the second.

Gananoque eliminated Napanee by a 6-3 score in the second game. The score stood 4-3 until late in the third period when Gananoque came on strong. Napanee's three on the scoreboard came from Dickerson, Mills and Doyle who were assisted by Bruce Dudgeon, Peter Hinch, Dickerson and Mills. Steve Dickerson received the second star for this game. Gananoque went on to meet Markham in the Championship game which ended in a tie. The Championship was decided by penalty shots in which Markham came out the lucky winner.

On Sunday the Napanee boys returned to Centre 70 for a league game. In spite of a 3-0 loss netminders Al Davis and Rick Cole came up with many good saves.

WHAT'S THE SCORE?

By D'ARCY McKITTRICK

The topic for this week is mini-sports. The name could include a wide range of sports, however it will be restricted in this column to two, namely mini-hockey and mini-basketball.

Dealing with mini-hockey first, I am using the term to denote the small but very enthusiastic youngsters who qualify as atoms under the Ontario Minor Hockey Association age groups. To deal with particulars, a littel bit of space is going to be used to introduce the first year Minor Atom All-Stars. In layman's language, Minor Atom refers to the farm club of the Atom All-Stars. This is a team comprised of boys who do not qualify for the Atom All-Star team for various reasons including skill level. However what these boys may lack in skill, they compensate for with spirit, as they have demonstrated very effectively to date.

Coach Allan Garrison has had his charges play four games thus far, without a loss. They have had a home and home series with Tamworth, the first game ending in a stalemate, Napanee won the second. In a match with the Napanee Novice All-Stars, they caused their seniors to sit up and take notice by virtue of a 5-0 win. The other match was with Kingston Township the locals coming away the victors.

Al feels the boys are showing a lot of hustle and desire, and he is extremely pleased with the play of his netminder Joey Asselstine who has notched two shutouts. For pure entertainment, its hard to beat the escapades of these boys. So keep your ear to the ground and take in their next encounter.

In my column of a few weeks ago, I introduced the idea of mini-basketball as well as the particulars of where and when it will be played. Well, in recent conversation with one of the directors I learned that the turnout of 25 boys is sufficient response to get the project off the ground. In fact the number seems to be ideal as it will give the group a chance to work out any problems which may occur, on a small scale, thus enabling them to institute needed improvements. The official starting date is scheduled to be Sat. Jan. 19, at one o'clock in the Napanee District Secondary School Gym 1. For any boys who are persuaded by friends to sign up, registrations will be taken on any Saturday while the program is in progress.

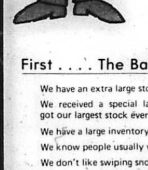
TODAY'S WORLD

"Gwen, one of the minor prophets is here."



GOOD NEWS AND BAD NEWS

First . . . The Bad News (For Us)

We have an extra large stock of both new and used vehicles. Here's Why:
We received a special late December factory shipment of new Fords and Mercurys and we've got our largest stock ever.
We have a large inventory of sharp late-model used cars traded in on 1974 Fords and Mercurys.
We know people usually wait till Spring to trade up.
We don't like swiping snow off them and we're out of room to park them.

Now . . . . The Good News (For You)

You've got an excellent selection to choose from. Either in new or used cars.
We have to make better deals to lower our stock.
All reasonable offers will be accepted.
You can still buy 1974's from our large stock before the price increase.

SEE ONE OF THESE HAPPY FACES

YARKER U. C. W.

The regular meeting of the Dorcas Unit, Yarker was held at the home of Mrs. Jack Jaynes, last Tuesday evening with 11 members present. The president, Mrs. Harold Stover presided and opened the meeting with a short poem.

The worship service was given by Mrs. Earl Lee, entitled "New Year's for You," which was very interesting. This part of the program was closed by the singing of "I Need Thee Every Hour" and prayer.

In the absence of the secretary, Mrs. MacFarlane, Mrs. Vivian Warner read her minutes. The treasurer's report was given by Mrs. Mabel Buck and approved. A number paid their dues. Some business was discussed and approved.

Mrs. Lowry had charge of the program which consisted of a contest on several chapters in the Bible which were very interesting and helpful.

The meeting closed with prayer. The next meeting is to be held at Mrs. Harold Greenway. Lunch was served by the hostess and the committee in charge.

While attending a Conference last week, John Gardner of the Soils Department at Kemptville College gave out a few tips on how to cope with the current fertilizer shortage. I would like to share them with you:

10 WAYS TO BEAT THE FERTILIZER SHORTGAGE

1. Use your soil test report. Find out what your fields actually need for highest economic yields. Don't use excessive rates.

2. Correct soil acidity. For most crops this means applying limestone when the soil has a pH of 6.0 or lower. Soil nutrients, including nitrogen and phosphorus, are more available to plants when the pH is above 6.0.

3. Apply fertilizer where it counts. If the application isn't likely to produce a reasonable response, don't do it. For example put nitrogen on corn or grass, instead of a legume sod or soybeans.

4. Include a legume in the rotation. An average crop of alfalfa may fix 200 pounds or more of nitrogen each year for each acre. When this legume sod is turned down some of the nitrogen will become available for the succeeding crop. This means less commercial nitrogen will be required.

5. If you have livestock manure, use it. Agronomists agree that an application of 10 tons of livestock manure will provide about 50 pounds of nitrogen, 20 pounds of phosphates and 90 pounds of potash in the first crop year.

6. Apply for maximum efficiency. If applying nitrogen ahead of the crop select only well drained fields. Band phosphorus where possible to minimize fixation of this nutrient.

7. Be prepared to substitute fertilizers. If the grade recommended on your soil test report is not available you will probably be able to satisfy the requirements with an alternate recommendation.

8. Be prepared to change application methods. When applied with or near the seed, some fertilizers are more toxic than others. See application guidelines in O.M.A.F. Publication 296.

9. Consider on farm storage. In order to be sure you've got the fertilizer you want, when you want it, be prepared to accept delivery ahead of time. To ensure that caking does not become a problem, store all fertilizer off the floor, in low piles, in a dry building.

10. Don't panic. Talk over your requirements with your fertilizer supplier.

x x x

FOOD FOR THOUGHT

Canada farmland, like oil, is not in limitless supply. Only one twentieth of the country consists of improved farmland and 2% of that amount is blessed with excellent rainfall and temperatures.

Although Canada has twice as much farmland per person as U.S.A., our climate makes Canadian land only half as productive on the average. Instead of increasing to meet growing food demand, the land suitable for farming in the climatically favored parts of Canada is decreasing at the rate of 100 acres per 1000 persons increase in the urban population. About 400,000 of Canada's 160 million farm acres are covered by urban development every decade. Unfortunately those 400,000 acres tend to come from the climatically suitable acres.

x x x

ACCIDENTS DON'T HAPPEN, THEY ARE CAUSED To date eight farmers and or farm employees covered by Workmen's Compensation have died in 1973. Another 1575 have received increased compensation payments. This ib itself is some consolation. The pain, suffering and sorrow are also included with their compensation payments. These are a few of the ammenities included with compensation payments. Yet the dollar payout, and the pain payout are so needless. Accidents do not happen, they are caused. Start the new year off by asking yourself, am I the cause or the cure?

LADIES' AID

The Ladies' Aid and W.M.S. of the Presbyterian Church of the Redeemer, Deseronto, held their first regular meeting of 1974 on Thurs., Jan. 10, at the home of Mrs. Don MacMillan. The new president, Mrs. Charles Griffiths, opened the meeting with a welcome to all the members and thanked the hostess.

Mrs. Eric Quirk was in charge of the devotions and mission story. Mrs. Griffiths led in prayer. Everyone joined in the singing of some of their favorite hymns. New Year's readings were given by Mrs. Kay Hood and Mrs. Griffiths.

Mrs. Hood informed members of the W.M.S. annual meeting to be held in Trenton on Jan. 16 and it was hoped that the president and secretary would both be able to attend.

The Ladies' Aid decided to have a Valentine Tea and Bake Sale on Sat., Feb. 16. Arrangements are now underway to prepare for the tea which will be held at the church.

After the closing of the meeting, lunch was served by the hostess and committee.

DENBIGH

Mr. and Mrs. Harry Walsh, of Douglas, visited during the holidays with Mr. and Mrs. Gordon Plotz.

Mr. and Mrs. Charlie Yakaback and family, of Cormac, and Mr. and Mrs. Royce Slater and family of Petewawa, visited with parents Mr. and Mrs. Jim Slater during the holiday.

Mr. and Mrs. Gernhard Lledtke, Mr. and Mrs. Robert Lledtke, and Mr. and Mrs. Verner Behnke were recent visitors with Mr. and Mrs. Verner Stein and family.

Mr. and Mrs. Albert Faulk who live on Pumpkin Street enjoyed a very good view of comet Kohoutek on Sat. Jan. 5 at about 4:45. The comet was visible for about 20 minutes and seemed to be travelling in a northerly direction.

Many area folks are confined to their homes with the flu.

Mr. and Mrs. Arnold Kellar visited with family relatives in Kitchener and area a week previous to Christmas and also attended the Kranz-Jenson wedding at Unionville on Sat. Dec. 22.

Mr. and Mrs. Verner Stein and family had Sunday dinner with Miss Heather Stein, Pembroke.

Mr. and Mrs. Garnet Wilkes Jr. and family, Ottawa, visited with Mr. and Mrs. Bud McKinnon and David on Saturday.

Mr. and Mrs. Albert Faulk spent New Year's with their daughter, Mr. and Mrs. Jim McQuen, Kingston.

Perry's Shell Lose 3 League Games

Perry's Shell "Atoms" returned to regular hockey league play during the past week after participating in two tournament during the Christmas break.

They played two re-scheduled games against Trenton, losing both of them

In Trenton they lost 2-1 and in the return match here, the following night they went down to a 5-1 defeat.

On Saturday night, Kingston's Centre 70 came to town and defeated Perry's Shell 11-1.

Kingston will be the team to beat come play-off time as they have a well balanced hockey club. They play good positional hockey and skate hard at all times. If given the opportunity, they will waste very few scoring chances.

Perry's Shell play Gananoque this Saturday in Gananoque to finish off their regular schedule.

Snowmobile Rally At Bath Attracts 119 Entries

TOP PRIZE in the North Channel Snowmobile Club's third annual rally on Saturday was taken by Dave Tootill of Millhaven seen receiving the trophy from Earl Grace, president of the club. Mr. Tootill's fiancee, Miss Brenda Crawford of Kingston who accompanied him on the 40-mile course is also in the photo holding the small trophy that the winner keeps permanently. In the lower photo some of the 119 machines that took part in the rally are seen as they prepare to start out from St. John's Memorial Hall at Bath which was headquarters for the rally.

Beaver Photos by Don Douglas

At its third annual rally, last Saturday, the North Channel Snowmobile Club at Bath had a novel method of awarding points for the trophy awarded at the end of the 40-mile course that was followed. There were 119 entries.

Where the trail crossed roads or railroad crossings, check points were established and drivers were given a sealed envelope containing a playing card. They collected these along the route and at the end, when the envelopes were opened, the driver with the best poker hand was the winner. The club trophy went to Dave Tootill of Millhaven who was accompanied on the run by his fiancee, Miss Brenda Crawford of Kingston.

There were 119 entries in the rally, president Earl Grace of Bath reports. Nearly half the drivers were women. Starting in the morning, one half of the entrants headed west and the other half headed east. In the afternoon, the route was reversed so that all entrants covered all of the course.

Snowmobiles were entered from as far away as Oakville and Port Perry.

After the rally, a roast beef supper was served to all the participants. This was followed by a dance. Prizes and trophies were presented during the intermission.

Mr. Grace said that proceeds from the event go toward the building of a club house.

Odessa Man Dies Of Accident Injuries

An Odessa area man was killed Monday evening in a two vehicle collision about three miles east of Shannonville on No. 2 Highway.

The accident occurred about 7:30 as a truck driven by Emil Masse, 62, of RR. 3, Belleville was in collision with a car driven by Allan Dillenbeck, 22 of RR 1, Odessa. Mr. Dillenbeck died of injuries sustained in the accident and was pronounced dead at the scene by Belleville coroner Dr. John Stock.

The Masse truck, according to police was travelling west on No. 2 Highway when the accident occurred.

Constable Terry Lewis of the Belleville Detachment of the Ontario Provincial Police is the investigating officer.

AT COUNTY COUNCIL

* Officially warden Bruce Cuthill was elected by acclamation on a motion by Napanee's Deputy Reeve Ernest Marshall and outgoing warden Bruce Weese. The actual election though is conducted "sub rosa" in the committee room just prior to the inaugural meeting and no official mention is made of who might have run against the warden.

But Mr. Marshall indicated in the open meeting that he had run in the election for a second unsuccessful try. "If I run long enough I may get up there some day," he said.

* The swearing-in ceremony for the new warden, usually conducted by Judge G. F. Smith was performed by county administrator Doug Perry this year. Judge Smith is vacationing in Barbados.

* The councillors agreed with a report of the special museum building committee which called for a maximum cost of $165,000, including architect's fees for remodelling the county jail building. The county will pay the entire expense, probably on a 10 or 20 year debenture. The proposed museum would concentrate only on the history of Lennox and Addington county from the Indian period to the present, but there would not be room for travelling exhibits.

Once the museum is completed the upstairs in the county library building, presently used to store part of the historical collections, will be free for use by the administration of the county library system.

JACK DAVEY

New Ernestown Deputy, Is Farmer And Factory Foreman

The only new face on the Lennox and Addington County Council this year is that of Jack Davey, a 52 year old Wilton area farmer, who has been appointed to the position of Deputy Reeve of Ernestown. He will serve out the second half of the two year term of William Murray, who resigned from the post last month.

In addition to running a hundred acre farm and a herd of between 60 and 70 head of cattle Mr. Davey is a shift foreman at the Millhaven Fibres plant. His cattle operation is mostly a beef enterprise, but during the summer months he milks 21 dairy cows as well.

Mr. Davey was born on a farm across the road from his present enterprise. The first farm was only 50 acres, and when his father saw that his growing family could not live off that acreage, he traded farms with his neighbour, Jack Davey took over the management of the farm when he was 20 years old, in 1942.

The new county councillor has been active in public work for many years. He started out, along with Bill Murray, to organize soft ball teams in his area, a movement which has now grown to take in more than 45 teams. He has taught Sunday School and he has been involved with minor hockey as well.

During the past eight years Jack Davey has been a councillor in the Township of Ernestown. Since he was the councillor with the greatest number of years on the council, his colleagues chose him to fill the Deputy Reeve post.

Eric Davey, Mr. Davey's 24 year old son, still lives at home, and he helps his father run the farm, in addition to working out in Kingston. Two daughters have moved away from home, but Mr. Davey's teenage daughter Jackie helps on the farm as well. The fifth Davey offspring is a four year old girl.

Repeated defoliation by insects or anything else will result in narrow ring width in trees.

Most tree planting is carried out in the spring.

Layoff Hits Local Industry

Continued From Page 1

employment if steel had been available. I cannot forecast the effect of a continuing steel shortage on the level of future orders."

Mr. Pegg has also sought the assistance of A. Douglas Alkenbrack, MP Frontenac-Lennox and Addington. Mr. Alkenbrack has brought the matter to the attention of the prime minister in a letter in which he states that if current steel supply conditions continue, "the outlook for 1974 for this, and other small firms that fabricate steel, is bleak." Mr. Alkenbrack goes on to say that the reasons for the layoff "plainly demonstrate the need for a fair system of allocation and distribution of these raw materials."

Mr. Alkenbrack in his letter urges the prime minister "to investigate the allocation of these raw materials to alleviate this unfair situation so that smaller industries can obtain and purchase their fair share of such raw materials."

Wes Nesbitt, manager of the Napanee office of Canada Manpower told The Beaver that the prospects are not good for those being laid off to be able to obtain work in their line in this area. "Mobility allowances are available," he said to assist workers in re-locating in another area where there is a demand for their particular kind of skill or trade.

New Chief Presides At First Council Meeting

Rev. Cyril Betts, padre of the Mohawks of the Bay of Quinte Band, opened the inaugral meeting of the Band Council with a prayer. The new chief, William J. Brant, gave a short address mentioning co-operation within the council and with the surrounding communities.

New councillors are Elwood Brant, Charles Maracle and Clell Maracle. Only Carl Brant is a veteran councillor. The chief, William J. Brant, is new only to the position of chief as he was a councillor last year.

Administrator, Elton Brant, felt that the length of the meeting, almost five hours, was partially due to the fact that so many of the members of the council were new and needed to be provided with information on matters under discussion so that they might be aware of the background of these matters. Mr. Brant also feels the next few meetings might be rather long for the same reason.

Following the meeting Chief Brant said, "I think things are going very well." "There are a number of important issues coming up now and council seems to agree on what direction we are going to take."

County road 16, which runs from No. 49 Highway at the Skyway bridge to the town of Deseronto and is known as the Bayshore road came under discussion. It is Chief Brant's understanding that the County of Hastings is supposed to maintain this road and that there was an agreement dating back to some time in the mid-forties to this effect. However, such an agreement has not yet been located. Now, the county feels that the responsibility for the upkeep of this road should be transferred to the Band Council, at least as far as the boundary of the Town of Deseronto.

While there is nothing immediately new on the Shannonville lease situation, the Band Council are considering what steps they will propose to take. They will be meeting this week with some officials of the Ministry of Indian Affairs and Northern Development. Following this, a meeting will be arranged in the near future with the residents of the leased area of the Village of Shannonville.

A letter from E. G. Thompson, of the Belleville office of Bell Canada, sparked some considerable discussion on problems which are currently under investigation between the Band Council and Bell Canada.

John McCoppen and David Osborne of the Ministry of Transportation and Communication attended the Band Council meeting to discuss access rights to lands bordering on No. 2 Highway at No. 49 Highway. The Ministry of Transportation and Communications require access rights that they may do some work on the roads. The Band Council requested a few days for deliberation of this matter.

When asked why the Mohawk airport did not come up for discussion, Elton Brant stated that they wanted to steer away from the airport as it is such a detailed item. "The agenda was already lengthy due to a backlog of almost a month and a half." "The airport is one item which requires quite a lengthy discussion and, therefore, it was felt that it would be better to leave it until the next meeting of the council." Chief Brant concurred with these reasons and said, "We are definitely going ahead with licensing the runway." "There are a few things we have to do yet and we just haven't had time to sink our teeth into the airport situation yet."

In summary, Chief Brant felt, "We have a good council and we are going to get some co-operation."

$90.9 Million Deficit Incurred By Post Office

The post office department incurred a deficit of $90.9 million in the 1972-73 fiscal year, Postmaster-General Andre Ouellet said Wednesday.

This was $13.9 million, or 18.1 per cent, more than the previous year and was mainly the result of investment in the coding and mechanization program.

Mr. Ouellet said in a news release that postal revenues increased by $58.9 million, or 11.7 per cent, to $563.1 million. However, costs rose to $654.1 million, an increase of $72.9 million or 12.5 per cent.

Revenue increases were attributed to rate increases and to a 8-per-cent increase in mail volumes.

Higher salaries and a 4.5-per-cent increase in staff — to 52,207 from 49,958 between March 31, 1972 and March 31, 1973, — also added to increased costs.

Mr. Ouellet also said the post office delivered 4,751 million pieces of mail compared with 4,713 million in 1971-72.

Feeding A Sick Child

IDA BURNS

By IDA BURNS
A&P CONSULTANT

The world can seem very boring to a child recovering in bed from a winter-time cold or flu.

Brighten his day and delight him with a cheery tray full of light foods to tempt a lagging appetite. Since he can't have his friends in, invite his favourite stuffed animal to lunch. Include a little treat like a colouring book or puzzle.

Colourful, unbreakable dishes hold soup, sandwich and drink. A clear soup, like Consomme or Chicken Noodle, appeals to most convalescents.

Cut the crus's off Jane Parker French Bread to make round sandwiches, and decorate the top with a "happy face" made with pickles, etc. Add a crunch to the lunch with carrot and celery sticks. For dessert, try serving a bowl of lightly sweetened fruit with a box of animal crackers.

If you find yourself running back and forth with cold drinks to soothe a sore throat, why not try keeping a vacuum bottle filled with lemonade or orange juice by your child's bed. Then he can help himself to a drink as he wants one.

It takes so little time to prepare a nutritious, imaginative lunch for sick kiddies, and you get your reward when you see the smiling faces that say "thank you" better than words.

Let us help you with your food planning problems. Just drop us a line at:

Gets Senior Position With Kitchener Firm

G. L. VanKOUGHNET, CA

A former resident of Selby, Gordon L. Van Koughnet, CA, has been appointed top financial manager for one of Canada's leading rubber and plastics manufacturers.

Mr. Van Koughnet, 33, becomes Controller of B.F. Goodrich Canada Ltd., Kitchener, responsible for all company financial functions. The announcement was made this week by the firm's director of administration, Fred B. Warburton.

Mr. Van Koughnet attended Napanee District Secondary School and articled for five years with a Toronto firm of chartered accountants before receiving his CA degree in 1965. He joined B.F. Goodrich Canada Ltd., in Kitchener as a field auditor the following year. In 1967 he was appointed supervisor of corporate accounting and, two years later, became manager of that department.

B.F Goodrich Canada Ltd. is the nation's most diverse rubber and plastics manufacturer employing more than 3,000 people in production and sales facilities across Canada. The company's head office and main manufacturing centre is located in Kitchener where Mr. Van Koughnet will make his headquarters.

Fertilizer Shortage Seen

Eastern Ontario farmers will face a serious shortage of fertilizer if they wait until the spring to buy it, says a report released by the Kamptville Agricultural College.

The report blames the energy crisis for the projected shortage of fertilizers that will affect phosphat, potash and nitrogen brands.

Large amounts of uninterrupted energy supplies, such as natural gas, are needed in the development of most fertilizers.

The report also says that the he move by the United States to lift price ceilings on fertilizers for domestic use, and the U.S. government release 40 million acres from its land bank, has increased the demand for fertilizer.

U.S. fertilizer manufacturers are now able to charge higher prices in the U.S., while before they had increased export commitments because higher prices were available in other markets such as Canada.

People can be divided into three groups: those who make things happen, those who watch things happen, and those who wonder what happened.

The Motor Vehicle Accident Claims Fund is NOT insurance

Last week my buddy went to renew his automobile licence and was told he would have to pay $40 in addition to the licence fee if he couldn't prove he had $50,000 automobile liability insurance. Why does he have to pay this extra $40?

This $40 is a mandatory payment required by The Motor Vehicle Accident Claims Act, to be paid by an uninsured motorist or driver. Ontario law requires the motorist to have a minimum of $50,000 liability insurance or pay the Motor Vehicle Accident Claims Fund fee before being issued a vehicle licence. If a motorist fails to provide for insurance himself he has to pay $40 into the Fund to ensure that innocent victims involved in any accident he may be responsible for, are provided with up to $50,000 in damages from the Fund, depending on the decision of the Court.

The innocent victim is therefore protected to this extent by law against the uninsured motorist.

Not insurance

How much insurance coverage does this $40 fee give?

This fee does not, in any way, provide the motorist with any kind of insurance coverage. By choosing not to carry even a minimum amount of automobile liability insurance, the motorist has stacked incredible odds against himself.

Even though a motorist has paid his $40 for the privilege of driving his motor vehicle on the roads, he is still not protected. Because of this, he is liable for the full amount of the judgment if found responsible for causing an accident. Such judgments can be disastrous. For example, Court awards are often based on the future earning potential of the victim. Payments to the family of a 25-year-old, $15,000-a-year man can add up to a crippling lifetime debt against the uninsured motorist.

Being an owner and/or an operator of an uninsured motor vehicle, what is his position if he is involved in a motor vehicle accident?

If an uninsured motorist has caused or contributed to an accident one of two things can happen:

(1) A claim may be made by the innocent victim directly to The Motor Vehicle Accident Claims Fund for payment of damages. If this occurs, the Ministry of Consumer and Commercial Relations will advise the uninsured motorist by registered mail (his last recorded address) as to what steps he might take to protect his interests.

(2) If a judgment or a claim is paid from the Fund, on the motorist's behalf, the owner's and driver's licences will be suspended until the full amount has been paid or instalment payments have commenced. At the same time, he must file a certificate of insurance to prevent the Fund being called upon to pay a second time.

One notice

How does he know that a claim has been made against him?

As soon as a claim is received by the Director of Claims, the uninsured motorist and/or driver is advised by registered mail at the last address with the Ministry of Transportation and Communications.

There will be only one notice.

It is most important for the motorist to realize that by not providing himself with adequate liability insurance and using the Motor Vehicle Accident Claims Fund, he can find himself paying for one accident for the rest of his life.

For a pamphlet on The Motor Vehicle Accident Claims Fund, write Consumer Buy-Line, Ministry of Consumer and Commercial Relations, 555 Yonge Street, TORONTO, Ontario.

Consumer Buy-Line is an information service of the Ontario Ministry of Consumer & Commercial Relations.

Cards of Thanks

Many thanks to all who remembered me with cards, gifts, telephone calls, visits and kind offers of help while I was a patient in the Kingston General Hospital. Special thanks to Dr. J. Parker, Dr. H.W. Cumming, nurses and staff of Connell 10 for their excellent care, also for prayers and visits of Rev. W.H. Shaver, Rev. R. Kenney, Rev. K. Crawford and the Napanee Baptist Church. Your thoughtfulness and well wishes are sincerely appreciated. Thank you all very much.
Roy C. Rogers. 3ap

I would like to express my sincere thanks to my family and friends for their visits, gifts, cards and flowers while I was a patient in Lennox and Addington General Hospital. Special thanks to Dr. Thomsen, Dr. Bergstrome and Dr. McLellan, nurses and staff of the surgical floor for their excellent care and also to the supervisor Mrs. Harry Moore. I also would like to thank Rev. Father O'Neill, Archdeacon W.L. Simmons and my Pastor Monsieur A.J. Welsh for their many visits and prayers. May God bless you all.
T. Joseph Dowling, R.R. No. 2, Napanee, Ontario. 3ap

We would like to extend our sincere thanks to friends, relatives and neighbours in our time of sorrow in the tragic death of a loving husband and father. Thanks for the beautiful floral tributes, donations to Foreign Mission, Gideon Bibles and the Optometric Foundation. Thanks to neighbours for flowers and hymn books, also to the hunting gang for their generous donations to Foreign Mission and flowers, also for letters and cards of sympathy and to all who brought food; also the girls who served before and after the funeral. Special thanks to Rev. Guy Case for his comforting words; to the pallbearers and flower bearers and to the Wartman Funeral Home for their kindness and efficiency. Your kindness will always be remembered.
Mynne and Gregory Sweet. 3a

We would like to thank all our relatives, friends and neighbours for cards, flowers, and words of sympathy at the time of the death of our darling daughter and granddaughter, Heather Ann Gilbert. Special thanks to Rev. Kuhn and Archdeacon Simmons for their prayers and to the ladies who sent in food. Your kindness will long be remembered. God bless you all.
Dale and Gloria Gilbert,
Howard and Gretchen Gilbert
Lorne and Marjorie Kelsey. 3a

I wish to thank all, both near and far for the lovely Christmas gifts, cards and fruit baskets. God bless you all.
Love, Mrs. H. Catherine Doupe. 3a

In Loving Memory

MILMINE — In loving memory of a dear mother, Annie Milmine who passed away January 10, 1972 and a dear father, R.D. Milmine who passed away September 23, 1972.
I often think of bygone days
When we were all together
The family chain is broken now
But memories last forever.
To me they have not gone away
Nor have they travelled far
Just entered God's Eternal Home
And left the gate ajar.
Sadly missed and always remembered by Kenneth, Laurene and Lauretta. 3a

In Loving Memory

BROWN — In loving memory of a dear father and grandfather, Beryl Brown, who passed away January 13, 1973.
Time takes away the edge of grief,
But memory turns back every leaf.
Always remembered by sons Donald, Robert, Deverde and their families. 3a

BIRD — In loving memory of my dear father, James Bird, who passed away January 17, 1972.
Just a prayer from the ones who loved you
A precious memory fond and true
In our hearts you'll live forever
Because we thought the world of you.
Lovingly remembered and sadly missed by his daughter Kay and Henry Allen, grandson Gale, wife Lynne and family. 3a

SEDORE — In loving memory of our darling daughter and sister, Patricia Anne Sedore, who passed away January 19, 1969.
This month comes with sad regret,
Recalling a date we will never forget.
She wished no one a last farewell,
Or even said goodbye.
But oh what I'd give if I could say
"Hello Patsy" in the same old way.
And sit with her and chat awhile,
And hear her voice and see her smile,
But just when her hopes seemed brightest
God called her home to rest.
His garden must be beautiful,
For He only takes the best.
Sadly missed and always remembered by Mom and Dad and brother Michael. 3ap

BIRD — In loving memory of a dear husband and father, James Bird, who passed away January 17, 1972.
He is gone but not forgotten
And, as dawns another year,
In our lonely hours of thinking,
Thoughts of him are always near.
Days of sadness will come o'er us,
Many think the wound is healed,
But they little know the sorrow
That lies in the heart concealed.
Sadly missed and lovingly remembered by wife Edna and daughter Hilda. 3ap

FITCHETT — In loving memory of a loving mother, Lillian May, who passed away January 16, 1964.
Ten years have passed since that sad day
The one we loved was called away,
Although we smile and make no fuss,
No one misses her more than us,
And when old times we often recall
That's when we miss her most of all.
Sadly missed by her family Morley, Beatrice, Annie and Pearl and Gordon Fitchett. 3a

McCABE — In loving memory of a dear brother Ernest Gordon McCabe.
Just a prayer from the ones who loved you,
A precious memory fond and true.
In our hearts you live forever.
Because we thought the world of you.
Always remembered by sister Betty, brother-in-law Bob, Vicki and Heidi. 3a

In Loving Memory

McCABE — In loving memory of a dear son Ernest Gordon McCabe who passed away January 19, 1961.
Its lonely here without you,
We miss you more each day
For life is not the same to us.
Since you were called away.
Always remembered by Mom, Dad and John. 3a

DICKSON — George Allen. In treasured memory of a dear husband, father and grandfather, who left us five years ago Jan. 19, 1969.
A husband is someone who comforts
If there should be sorrow and care;
Someone who lends a shoulder,
When the load gets too heavy to bear.
A father is someone with patience
Who will never desert or forsake;
But listens with great understanding
And forgives every foolish mistake.
A grandfather is someone with laughter,
To erase every sorrow and frown;
Who always can help in solving
A problem that's getting you down.
A husband is someone who can brighten
Each day with a word and a smile,
And convince you in spite of reverses,
That life can be really worthwhile.
You were a husband, a father and grandfather we cherished,
As a person of infinite worth,
And memories of having had you to depend on
Are our dearest possessions on earth.
Always loved and ever remembered by wife Blanche, daughter Janice, son-in-law Gary, son Richard, daughter-in-law Carol, granddaughters Allison Lynn and Tracey Anne. 3a

Deaths

HART — Albert Arnold on Jan. 8, 1974. Albert Hart passed away at the General Hospital Edmonton, Alberta. Son of the late Peter Hart and Florence Pennell of Roblin. He leaves to mourn his loss, his wife Antionette and son Daryl at home, two daughters, Mrs. (Brenda) Rossit and Mrs. Karen Bedwell, British Columbia, two grandchildren. 17 MARKET SQUARE • NAPANEE

VALUE IN THE RURAL AREAS

This is a large stucco home with good possibilities for the buyer with ideas and know how to spruce up the interior. It has a three piece and two piece bathroom with eight rooms all told. Just great for a large family. We'll let you buy it or rent it. List price $17,900.00, rental $145.00 monthly. Very reasonable terms so why rent?

IT WOULD BE A SHAME

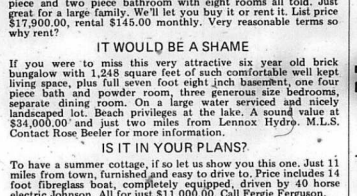
If you were to miss this very attractive six year old brick bungalow with 1,248 square feet of such comfortable well kept living space, plus full seven foot eight inch basement, one four piece bath and powder room, three generous size bedrooms, separate dining room. On a large water serviced and nicely landscaped lot. Beach privileges at the lake. A sound value at $34,000.00 and just two miles from Lennox Hydro. M.L.S. Contact Rose Beeler for more information.

IS IT IN YOUR PLANS?

To have a summer cottage, if so let us show you this one. Just 11 miles from town, furnished and easy to drive to. Price includes 14 foot fibreglass boat, completely equipped, driven by 40 horse electric Johnson. All for just $11,000.00. Call Fergie Ferguson.

99 ACRES
JOHNNY CAN GO THE FAIR
99 ACRES

Away from polluted air, with barns and outbuildings for ponies and pets and such a comfortable home for parents and kids. A real sharp package listed at $42,500.00. See Alan Gummo for further details.



SHE'S ELDERLY BUT CHARMING

A solid brick, two storey in sound condition with all the comfort and charm built in the earlier days. Large bright rooms, kitchen 15 x 15, dining room, living room 16 x 42, with graceful spiral staircase leading to the three roomy bedrooms upstairs. All this plus a four room, self contained apartment at back renting for $110.00 monthly. List price $31,900.00 and we can help to finance. Discuss it with Bob Moore.

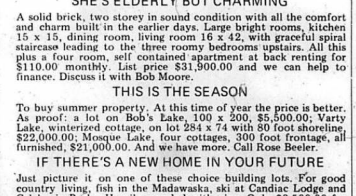
THIS IS THE SEASON

To buy summer property. At this time of year the price is better. As proof: a lot on Bob's Lake, 100 x 200, $5,500.00; Varty Lake, winterized cottage, on lot 284 x 74 with 80 foot shoreline, $22,000.00; Mosque Lake, four cottages, 300 foot frontage, all furnished, $21,000.00. And we have more. Call Rose Beeler.

IF THERE'S A NEW HOME IN YOUR FUTURE

Just picture it on one of these choice building lots. For good country living, fish in the Madawaska, ski at Candiac Lodge and Calabogie Peaks. Heavily wooded with pine. Only $3,500.00 for 150 x 237.

Napanee — Odessa — One acre, 15 minutes from Bath or Napanee. You can't lose at $3,500. For further information call Fergie.



YOU KNOW IT HAS FOUR BEDROOMS?

The lot is 126 x 180. The frame bungalow is just seven years old and seems to nestle among the attractive landscaping. It has a paved drive and is a really neat home at the price, which the picture above indicates. Call Bob Moore.

PUT YOUR MONEY TO WORK

You'll be surprised how hard it words with this four unit, older but solid and in good condition. Always fully rented. Just a block from Market Square. A reasonable investment for a return of $455.00 monthly. Full asking price $35,000.00. Call Alan Gummo for an appointment.

THIS COULD BE IT

For only $13,500.00 this frame house has 10 rooms, two bedrooms. It is suitable for a duplex, with a new septic system, new drilled well, new gas furnace, insulation, tiling and panelling, which puts it in pretty nice condition. Taxes are only $106.06 and just look at that price. Contact Bob Moore.

OUR OFFICE NUMBER IS 354-3361

Trip To Europe Is In Doubt

Prime Minister Trudeau threw some doubts on his proposed trip to Europe next month, telling reporters recently that adjournment of the Commons and the Jan. 22-23 energy conference might affect his plans.

He would know definitely in a week or so, he said.

It was also learned that Mr. Trudeau would go to Brussels for talks with representatives of the European Economic Community, and to Salzburg, Austria for meetings on world food supplies. Sources said he planned to leave Jan. 31.

REAL ESTATE AND INSURANCE LIMITED

LET THE WIND BLOW

However, the purchaser of this well kept two storey three-bedroom home can be snug as a bug in a rug. All aluminum storms and screens, extra large kitchen, living room and four piece bathroom. Extras — some carpets, drapes, T.V. Tower, rotor and antenna. Taxes only $176.18 and on water and sewer in Deseronto. Full price only $19,000.00. N 501.

VACANT LAND

Consisting of 35 acres within twenty minute drive from Kingston. Fronts on a township road but has a twenty foot roadway off No. 2 Highway. Has good creek running through property. All kinds of sandfill on property and is heavily wooded in some areas. Taxes $28.00. N 506.

GOOD LOCATION

to build your new home and have lots of privacy. We have just listed 35 acres about 18 miles west of Kingston with acess from No.2 Highway. List price $14,900.00. N 506.

NINE ROOMS – NAPANEE

Located in a convenient area, south of town, comfortable two-storey on a generous lot. Contains large living room, eat-in kitchen with adequate cupboards, utility room, sunporch, four bedrooms. Good hardwood floors, some wall to wall carpeting, combination storm and screens, two car garage plus other extras. Taxes $240.00. N 502.

MR. FIX-IT!!

We have just the place for you in Napanee. Five spacious rooms to work on. Good kitchen cupboards. Cistern on hand pump. No plumbing but town water on the street. Forced Air Gas heating. Cooking range included in sale. Taxes $126.77. N 490.

LOW COST HOME

Frame and usual brick two bedrooms plus living room and kitchen; three piece bath. Taxes only $176.18. Try $1,000 down. N 500.

RECREATION PROPERTIES

In the Arden area. We have several, some with water frontage and buildings such as No. 3 parcel consisting of 15 acres with a 1½ storey house, with drilled well — for $7,000. An 85 acre parcel with 2,600 feet of water frontage. Details on file N 498.

MOBILE HOME

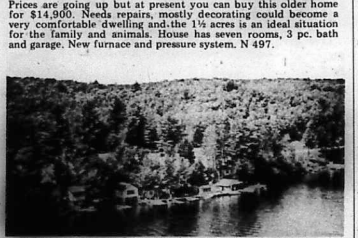
Deluxe model with 21' expansion affording a living room 17' x 19'; raised kitchen with beautiful cupboards, three bedrooms, four piece bath with full vanity, avacado stove, fridge and double kitchen sinks. Panelled and carpeted throughout. List price $10,200. or furnished for $11,000. N 507.

CHOICE INCOME SITUATION

With a down payment of about $16,000 you can buy this seven unit solid brick apartment building. It is always rented and has a waiting list of tenents. This building will pay for itself and show a return of about 18% on your original investment.

NEVER A BETTER TIME TO BUY

Prices are going up but at present you can buy this older home for $14,900. Needs repairs, mostly decorating could become a very comfortable dwelling and the 1½ acres is an ideal situation for the family and animals. House has seven rooms, 3 pc. bath and garage. New furnace and pressure system. N 497.



STORE, MARINA & HOUSEKEEPING COTTAGES

Three hundred feet of shoreline on beautiful Mazinaw Lake. Living quarters at rear and below store. This is a new listing with so many extras. The business is stocked and completely equipped for the new owner. Three ton truck, skidoo, several aluminum boats and 7½ H.P. Mercury Motors plus hundreds of new parts for the Marina. An ideal spot for year round operation — hunting, snowmobiling and ice fishing. Please call for complete details. N 505.

Member of Kingston Real Estate Board—M.L.S. Listing Service

George W. Cornell, Associated Press religious writer, reports from New York a general comeback for prayer. From Toronto Gilbert Roxburgh of the Globe and Mail has written in a similar vein.

The one-sided dedication to social action on the part of churchmen, during the last decade, produced a gradual spiritual starvation. The reaction is pot irrational. It goes to the core of our being.

Dr. Alexis Carrell, renowned scientist and devout Christian, wrote, "Prayer is the most powerful form of energy that one can generate. Its results can be measured in terms of increasing physical buoyancy, greater intellectural vigor, moral stamina, and a deeper understanding of the realities underlying human relationships."

This being so, we would be advised to learn from the most influential figure this planet has ever known. Prayer was as the air that Jesus breathed. So much so that one of the apostles spoke for them all when he exclaimed, "Lord, teach us to pray." There was a difference here. He had something they wanted to share.

Notice, in the 11th chapter of Luke's Gospel, that Jesus did not talk about technique, psychology or posture. He did not say much about prayer. He talked instead about the character of God. The Master's concern was that we have a correct image of God as "Father". Quite so. What we think of God

The Meaning Of Prayer

By
REV. GORDON C. SMYTH

shapes our prayers. This is the first big thing in prayer.

The next big thing is to remember (John 16:23) the truth behind the custom of ending our prayers by saying "in Jesus' name" or "for Christ's sake. Amen." What we say should be consistent with our Lord's mind and example.

It is a good thing prayer does not operate like a slot machine into which players feed coins until they go broke or hit the jackpot. The lumberman might expect snow and a city dweller be disappointed if he did not get Florida weather. Aunt Maggie might be prayed to death for her fortune but Grandma might be prayed alive so long as she continued to be a willing baby-sitter. Oil might flow generously from the Middle East but what of justice for Jews and Arabs?

To pray in Jesus' name means asking for those things inharmony with his will. We can pray for the healing of the sick because we know that he was a healer. We can pray that former friends may become reconciled because he went to great lengths to settle disputes among apostles.

Moreover, we can pray for the poor because Jesus fed the multitude. We can pray for unity among Christians because that was a major theme in the Upper Room, before he was betrayed. We can pray for the coming of the Kingdom of God because that was dearest to his heart. We can pray for our own improvement because he challenged us with the perfection of God. We can pray, above all, for strength to bear our own particular cross because that is how he taught us to follow him.

The most profound experience of the human race is that there are re-creating forces, not within our power to create but within our power to absorbe. We need not be played out or done in. We can pray to a waiting heavenly Father. Our prayers will be answered, if they breathe the spirit of Jesus Christ, God's Son.

GRANDVIEW W.I.

On Wed., Jan. 9, the members of Grandview Women's Institute met at the home of Mrs. A. Robertson and the president, Mrs. M. Scott read New Year's greetings which she had received from a pen pal across the sea. To open the meeting, as is the usual custom, all joined in singing the Institute Ode and repeating the Mary Stewart Collect.

The minutes were read by Mrs. Robertson and the treasurer's report by Mrs. D. Smith. Correspondence was read, also 'thank you' cards from people remembered at Christmas.

Thirteen members answered roll call "old weather superstitions" and the motto was "let's enjoy Canada". Some members displayed coverlets which they had made for patients at Hillcrest Nursing Home. As convenor, Mrs. Waddingham introduced Garnet Mills who everyone knows as our Agricultural Representative, and after giving a brief synopsis of happenings in the world today, he showed slides of interest to everyone, taken in the area surrounding Napanee, and finally some taken during a visit to the Barbadoes a year ago by Mrs. Mills and himself, which were most interesting. Mrs. B. Richmond thanked him on behalf of the members and presented him with a gift.

During the lunch hour, a penny sale was held and enjoyed by everyone, after which all departed with thanks to Mrs. Robertson for opening her home.

The amount of fur exported from Yukon increased in 1972 25 percent over the year previous. The value of Yukon raw fur marketed through the Ontario Trappers Association Fur Sales Service in 1972 amounted to $195,637. Animals trapped in Yukon include beaver, fisher, lynx, fox, marten, wild mink, muskrat, wolverine, otter, weasel and squirrel.

MELROSE

Mr. and Mrs. Sherman Lazier entertained Mr. and Mrs. Mac Lazier and family, Mr. and Mrs. Ralph Spencer and Mrs. Gladys Lazier to supper recently.

Many attended the New Year's Eve party held in the township hall.

New Year's Day guests at Ken McMechan's were Mr. and Mrs. Ralph Stewart, Bill, Sharon and Katherine; Miss Sarah Rook, Miss Barbara Locke, Belleville and Mr. and Mrs. William McMechan, Foxboro.

On Jan. 3 an Induction Service was held to welcome Mr. and Mrs. Robert Thompson to the United Church as their new pastor.

Mr. and Mrs. Mac Lazier entertained Mr. and Mrs. Newton Demille, Mr. and Mrs. K. McMechan, Mr. and Mrs. Charles Bates and Mr. and Mrs. Jack McFarlane for the evening recently.

Mr. and Mrs. Ken McMechan and family and Miss Barbara Locke had supper at Harold McMechan's on Thursday evening.

Mr. and Mrs. Ron Demille, Ottawa, spent the weekend with Mr. and Mrs. N. Demille.

Glad to report Grant McLaren is improving in Belleville General Hospital.

Mrs. Mac Lazier was hostess to the annual United Church Women's meeting last Wednesday evening. Mrs. Earl Badgley conducted the election of officers which resulted as follows: Leader, Mrs. Clare Weese; assistant leader, Mrs. H. Melburn; secretary, Mrs. Roy McLaren; treasurer, Mrs. Jack McFarlane, and press reporter, Mrs. G. McLaren.

SELBY

The annual Sunday School meeting was held in the Sunday School auditorium on Tues. Jan. 8. Douglas Jackson is superintenent, with Clark Martin and Howard Price assistants.

Wed. Jan. 9th was the Annual Congregational Meeting with reports from all organizations.

Sympathy is extended to Mrs. Fred McFarland and family on the death of her brother H.J. MacFarland. We had received a cheque for our church from him the night before he died.

Congratulations to Mr. and Mrs. W. J. Booth who observed their 61st. wedding anniversary on Tues., Jan. 15.

Thurs. Jan. 10 , Maple Ridge W.I. met in the township hall for the first meeting of the year. Mr. Edson showed films on reforestration projects.

The County Riders held an executive meeting on Tuesday night and a general meeting on Fri. night in the township hall.

Walter Wilson of Toronto, Mrs. Marion Sharon of Kingston, and Mrs. Bert Thompson of Napanee were Saturday supper guests of Mrs. Merle Denison.

Mr. and Mrs. Hubert Weese and Julianna of Morven were Sunday guests of Mrs. Mabel McKeown.

MAPLE RIDGE W. I.

Maple Ridge Women's Institute met in the township hall on Thurs. Jan. 10.

The main features of the program were slides and commentary on reforestration by Mr. Edson, and explanation of tree planting by Keith Johnson.

During the business period a letter was read from our adopted Korean boy, and cards of thanks from shut-ins who had received baskets of fruit at Christmas. A few more danations came in to add to the Christmas gift to William Pollard for the School for the Retarded.

It was decided that Maple Ridge would be hostesses for the district annual meeting May 21. Achievement Day for the course "Baked in a Pie" is to be at Morven on Jan. 24.

Mrs. Ted Middleton was in charge of the program and read an old recipe for a happy year and Marion Vankoughnet gave a paper in the use of sugar. Marion Waitson gave one on the Quebec Indians' birch bark baskets, followed by the pictures and talk by Mr. Edson and Keith Johnson. A social time followed.

The next meeting will be in the hall on Feb. 14.

NDSS Variety Night

"SCHOOL DAYS"

"School Days" was the theme for the annual Variety Night at Napanee District Secondary School recently with two excellent houses. Despite its marathon length - over three hours - the show was generally rated one of the best in years.

Student director, Dan Murphy put together a remarkably wide assortment of musical talent, including a "big band" (18 pieces), reminiscent of the Glenn Miller days, who thumped out such old standards as "Begin the Beguine" to the audience's delight. Al Lummis' jazz band also pleased the crowd, as did the rock band "Reunion" led by Bob Butcher.

In addition to the bands, the audience heard country and western music; folk ballads by the Robinson trio; Leonard Whalen and his group; Jim White, and the comedy singing group of "football" girls from the Moscow area. Particulary well received were the polished numbers of the Grace United Church Youth Group, one of the best mixed singing groups in Eastern Ontario.

Skits included a Purple House "beauty" pageant, the Grade 13 skit, the "Class of '56", and a closing Christmas concert number. Masters of ceremonies were Ken Gallagher and Al Harvey. At the close of the Saturday performance, staff director, Dave Bennett, who has produced Variety Night for seven years, was called on stage to receive a gift and accolade from the cast for his efforts behind the scenes.

MC's Al Harvey and Ken Gallagher and teacher-director Dave Bennett.

The MC's are escorted through the audience to the stage to start the show

Youth Singers from Grace United Church under the direction of Mrs. Terry (Heather) Larstone.

Deseronto and Melrose United Churches will be holding an official board meeting at Melrose tonight.

Deseronto United Church Women will be holding a pot luck supper at the church on Thursday. Also on Thursday evening the Deseronto Ratepayers' Association will be meeting at the Public School.

Thursday morning the Deseronto Public School Advisory Council will be meeting at the school. This is a group which acts as a liaison between the school and the community.

On Friday the school photographer will be at Deseronto Public School to retake pictures which did not turn out and take pictures of any students who were absent when the first photographs were taken.

EMPEY HILL

Mr. and Mrs. Harold Kimmerly were Sunday evening dinner guests of Mr. and Mrs. Jack McFarlane and family, Melrose.

Tyendinaga East Women's Institute met last Tuesday evening at the home of Mr. and Mrs. Delbert Harvey with a good attendance.

Mrs. M. Withers has returned home after spending a couple of months with Mr. and Mrs. Delbert Hewett and family of Red Deer, Alta.

Mrs. Robert Harvey returned home Sunday after visiting Mr. and Mrs. Harold Grooms of Dorland.

Mr. and Mrs. Cecil Matier and Mr. and Mrs. Harold Isenberg, Belleville were Sunday visitors at the Tucker home.

SELBY

Mrs. W.A. McLeod spent Christmas and New Year's at the home of her son Rev. and Mrs. Maurice McLeod, Rednersville.

Mr. and Mrs. Lorne Kennedy had a number of their friends for a New Year's Eve party.

Mr. and Mrs. Bill Denison, Christy and Peter, Mr. and Mrs. Jim Denison, David and Anna and Mrs. Bert Thompson were New Year's guests of Mrs. Merle Denison.

Mrs. Glen Martin is the new president of the United Church Women. Officers were installed at the first meeting of the year, Thurs. Jan. 3. There was a short play on stewardship.

It was decided to have coffee and doughnuts at the congregational meeting on Wed. Jan. 9.

Mr. and Mrs. Earl Keech, of Deseronto, have recently returned from a visit to England. They spent the Christmas season in London with their daughter's family, Captain and Mrs. George Adamson, and family.

x x x

Rick Graham is welcomed to the staff of Deseronto Public School on a full time basis. He will be taking over Mrs. L. Howitt's class until June.

x x x

A group of 16 young people from Melrose and Deseronto United Churches met at the home of Mr. and Mrs. Robert Thompson on Sunday evening for a pot luck supper. The group from Deseronto and Melrose joined with a group from Grace United Church, Napanee, to go by bus to Picton to hear the musical group, The Chancellors. The Chancellors, from Weston, gave a tremendous performance before a very large crowd.

x x x

Deseronto Red Cross held their regular meeting on Wed., Jan. 9, at the home of Mrs. Leo Palmer. President, Mrs. George Lyons, opened the meeting with the Lord's Prayer. Annual reports were received and election of officers was held. The same slate of officers were returned for another year.

After the meeting adjourned Mrs. Mervin Sherman conducted a contest, the winner of which was Mrs. Charles Griffiths. Lunch was served by the hostess.

The next regular meeting of the Red Cross will be held at the home of Mrs. George Stuart.

ENTERPRISE

Mr. and Mrs. Larry De Witta, Kingston Mills, visited with Mrs. Frank Hawley recently.

Larry Payne who is attending a school in Toronto was home for the weekend.

J. C. Campbell. principal of Enterprise Public School suffered a severe heart attack and is a patient in Kingston General Hospital. We wish him a speedy recovery.

Mr. and Mrs. Oscar Fenwick spent the holidays with their daughter and family, Mr. and Mrs. Clarence Coulter, London.

Mr. and Mrs. Fred Bell spent the holidays with their son Don and family.

Rev. H. Wright who was ill over the holidays is in good health once again.

The young children are enjoying the good ice on the rink, it is nice to see the lights turned on again.

The U.C.W. held their first meeting of the year at the home of Mr. and Mrs. Roy Hartman.

J. L. BOYES LTD.

Family Business Offers Variety Of Related Services

This is another in a series of articles on Napanee Businesses with information about the kind of business being carried on and other interesting features about the people who operate the particular business.

By DON SWAIN

A long established name of a Napanee business is being carried on as a family enterprise by a mother, her daughter and son.

The business is J. L. Boyes Ltd., long associated with the travel agency business in town and it has been operated since 1944 by Mrs. Cozette Thielman. With Mrs. Thielman in the business are her son Peter who has a satellite income tax service operation and her daughter Mrs. Gerry (Nicholle) Loney.

The business is also the Napanee CN telecommunications centre and for the past two years has been the Napanee depot for east-west inter city buses travelling to and from Toronto to Ottawa and Montreal.

When Mrs. Thielman purchased the business she decided to carry on with the same name and over the years, vacation planning has become a bigger part of the business.

"These services are needed in our community and we endeavour to supply an acceptable standard of service to Napanee and area," Mrs. Thielman explains.

When Mrs. Thielman took over the business, travel was just starting to grow. "Anyone going overseas took a ship. Now, the greatest percentage of people fly." Comparatively speaking, Mrs. Thielman observes that the cost of travelling has actually decreased. "Years ago, the cost by air was quite a bit more."

Nicholle and Peter got an early start in the business by stamping travel folders after school. Before joining the family business full time, Peter worked in air traffic control for a year at Toronto International Airport – work that was excellent training for vacation planning but when he was about to get married, he decided he liked small town life better and returned to Napanee.

Mrs. Loney (Nicholle) is also secretary of the Napanee Chamber of Commerce and is convinced that the "community needs more involvement." She finds with the increasing amount of business that the agency is handling it is difficult to serve as part time secretary of the chamber of commerce.

Because he thought it would be "exciting" Peter Thielman joined the Napanee Fire Department as a volunteer. "Then, I found the real need that exists for firefighters. Some people fail to appreciate the value of having a fully trained and well equipped fire department. If anyone can possibly get away from their job when called, they should join," he advises. His brother-in-law, Gerry Loney is also a volunteer fireman and Peter Thielman finds the fire department provides exciting work which he enjoys very much.

Mrs. Thielman points out in respect to her agency that "all services to the public fit in with one another." The Thielman's find that nowadays, the greatest per centage of their business is repeat business.

Within the last five years, charter motor coach service has grown tremendously. "There are tours organized out of Napanee," Mrs. Loney points out "and people are really going for them. Charter bus tours have grown for example, from one tour each year to the east and west coasts to 10 each way in summer and there are also charter trips to Los Angeles and Mexico.

The popularity of motor coach tours is explained in part by the fact that some people just don't like flying, Mrs. Thielman points out. Some people still prefer to take their vacations by rail, by boat or by bus.

However, "the majority of bookings are for air or air related vacations. People just don't have the time," Mrs. Loney points out. But combination air and cruise vacations are coming back," she adds.

"Air travel brings the world within reach because of the time involved," is why air vacations are so popular, Peter Thielman believes. He even gets calls at home and has done a booking from his home at one o'clock in the morning.

After seeing an advertisement, seeking a Napanee agent for an income tax service, Peters followed it up and found it fitted in well with the business as a whole. He and his sister took courses in making out income tax returns from September to January and the busy time for this service is February, March and April.

To Peter Thielman, the challenge of the agency's main business, travel and vacations, is the opportunity "to meet such a large cross section of people and the satisfaction of having them come in when they return and tell us what happened on their vacations."

"I hope you will excuse Roger. He's up to 2,000 words a minute in speed reading and if he stops to talk for five minutes, he loses 10,000 words."

Hints to the homemakers

CANADA'S BEST SANDWICH

The Sandwich has a long history of success in many countries of the world.

There are sandwiches for every occasion, every time of day or night and of course every meal.

A MEAL-IN-A-SANDWICH can satisfy the fussiest appetite and please all family members.

A FEW WINTER SUPPER SANDWICHES

Meatball Sandwiches

2 eggs beaten
3 tablespoons milk
½ cup dry bread crumbs
½ teaspoon salt
⅛ teaspoon pepper
1 pound ground beef
½ pound bulk sausage meat
¼ cup chopped onion
½ cup chopped green pepper
1 cup water
1 cup tomato sauce
¼ cup tomato paste
2 teaspoons sugar
½ teaspoon garlic powder
½ teaspoon oregano
½ teaspoon parsley flakes
8 crusty rolls

- Combine first 6 ingredients thoroughly and form into 24 (1½ inch) meat balls.
- Brown on all sides, remove.
- Add next 3 ingredients to pan and cook until sausage is brown–remove excess fat.
- Add next 7 ingredients and stir in meatballs; cover simmer 15-20 minutes (stir occasionally).
- Remove top crust from rolls, scoop out centre and fill each with 3 meatballs and sauce.
- Serve with a crisp salad.

Turkey Round-Up—Serves 6

½ cup salad dressing
1½ tablespoons chopped dill pickle
2 teaspoons finely chopped onion
12 slices vienna or French style bread
6 1-ounce slices Swiss cheese
6 slices tomato
6 1-ounce slices salami or bologna
6 1½-ounce slices cooked turkey
6 tablespoons butter or margarine—softened

- Combine first 3 ingredients and spread on one side of bread slices.
- Top six bread slices with cheese, tomato, salami, and turkey.
- Top with remaining bread slice.
- Spread butter on outside of sandwich. Grill slowly 10-12 minutes.
- Serve with hot green beans and fruit dessert.

Pizza Style Sandwich—Serves 6

1 14-ounce package Pizza Mix
½ cup (3-5 slices) salami, finely diced
½ cup (3-5 slices) boiled ham, finely diced
½ cup (3-5 slices) bologna, finely diced
½ cup grated Mozzarella cheese
½ cup cottage cheese

- Combine flour and herbs from pizza mix and prepare according to package instructions.
- Roll dough on waxed paper 18" x 8" (rectangle)
- Combine all ingredients except pizza sauce.
- Spread evenly in dough.
- Roll up (jelly roll fashion) cut into 3-inch rolls.
- Place rolls seam side down on greased cookie sheet.
- Bake in 425°F. oven 12 minutes.
- Heat Pizza sauce and serve hot with rolls.
- Serve with a cabbage salad and chocolate or vanilla pudding.

A SPECIAL TREAT FOR THE SMALL FRY

Little League Burger Sandwiches—Serves 8

1 pound ground beef
½ cup chopped onion
1 tablespoon all purpose flour
¼ teaspoon salt
1 can condensed vegetable soup
½ teaspoon Worcestershire sauce
1 cup sour cream
8 hamburger buns, split, toasted, buttered

- Brown beef and onion, drain excess fat.
- Blend in next 4 ingredients—and cook until bubbly.
- Stir in cream—beat 1 minute.
- Spoon onto bottom half of bun and replace top.
- Serve with relish, and crisp vegetables—milk and cookies.
